Important information to be kept. Do not use the slide near a swimming pool. Drowning hazard!.

## Warning!

- To avoid any hazards related to the packaging (tags, plastic film, inflation nozzle, assembly tools, etc.), remove all of the parts that are not part of the product. Toy to be assembled by a responsible adult.
- Never allow a child to play without adult supervision. Any complaint must be accompanied by the proof of purchase (receipt). The plastic or metal links between parts should be removed by an adult using a cutting tool to avoid sharp edges.
- The unit must be installed on flat, horizontal ground. Do not install on hard ground, for instance concrete or asphalt, without laying a shock-absorbing surface. Choose an area free of any obstacle (2 mts minimum from the product) that do not interfere the playing functions and do not damage the security, such as fences, swimming pool, garages, houses, hanging branches, pipes or electrical wires. Check regularly at the start of each game session the condition of the product (assembly, protection, plastic parts and/or electric parts).
- Tighten or re-fix the safety elements and the main parts if necessary. If a defect is noted, do not use the product until it has been repaired. The non-respect of instructions could provoke falling, tipping over or various types of deterioration. During the winter period, do not hit the product violently, as this may damage it. Any modification made to the original product (for example, the addition of an accessory) must be made according to the instructions supplied by the original product retailer. Defective parts must be replaced according to the manufacturer's instructions.
- Only for domestic use. Designed for interior or exterior use. It is recommended that you store the product indoors in bad weather or during the winter to ensure that the colours last longer.
- The slide must be placed in such a way that the child is not blinded by the sun. Frequently clean the slide with soapy water to limit static electricity. Only use soapy water. Damage due to a weather event (strong winds, storms, hail, snow, etc.) are not covered by the manufacturer's warranty. Please contact your insurer to take this risk into account. Do not use the product before it is properly installed. Adult supervision is necessary for children under 4 years of age.
- Never allow a child to play without adult supervision.

- Toy must be assembled by an adult, as it contains hazardous points or edges. A sharp tool shall be used.

## FAQ

**Q: What is the weight capacity of the product?**

**A:** The weight capacity of the product is 50KG.

**Q: Where is the product manufactured?**

**A:** The product is manufactured in France.

**Q: What are some important warnings regarding product usage?**

**A:** It is important to never allow a child to play without adult supervision and to assemble the toy with caution as it contains hazardous points or edges.
