**SMOOTH**

**smooth BR-01 Multi-functional Mobiles Remote Work for iPhone/iPad**

## Bluetooth Pairing

1. Turn on this Bluetooth Remote.
2. Turn on Bluetooth on your cellphone.
3. Scan to find "DY-Remoter", then pair with it.

## eBook Remote/PPT Remote

### eBook apps

(Applicable apps: Kindle, Aldko Book Reader, reader, etc.)

1. Open an “eBook” app on your cellphone.
2. Press the “Left” or “Right” button to turn the page. (Note: for some eBook apps, you need to press the “Up” or “Down” button to turn the page.)

### **PPT apps**

(Applicable apps: MS PowerPoint, Google Slides, Acrobat, Keynote, ACD

1. Open a “PPT” app on your cellphone.
2. Press the “Left” or “Right” button to slide the page. (Note: for some PPT apps, you need to press the “Up” or “Down” button to slide the page.)

### **Note: It is important!!!**

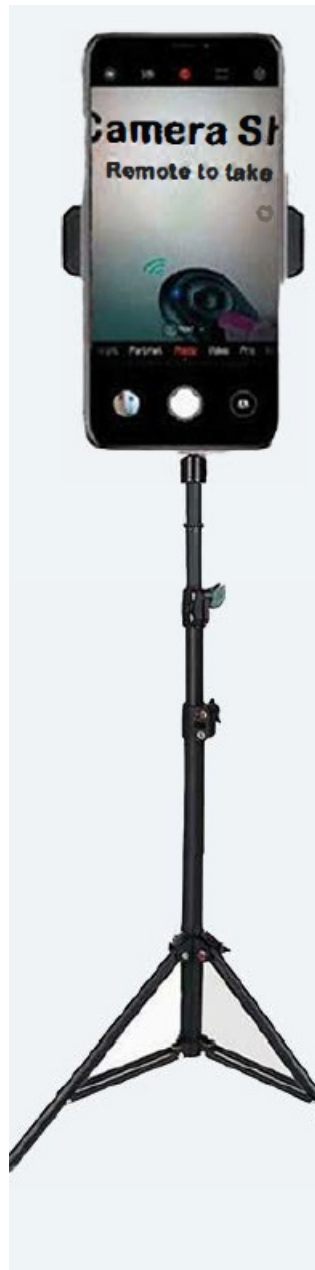

If the remote cannot work, please set your phone as below: (Settings>Accessibility> Touch>Assistive Touch> TRACKING SENSITIVE

1. please make the sure to turn “on” the AssistiveTouch in the phone
2. Adjust the TRACKING SENSITIVITY TO 50%.

### **Camera Remote**

1. Open “Camera” on your cellphone.
2. Hold on the “Left” or “Right” Button for 3 seconds to take photos/take videos.
3. When taking a video, if you want to stop recording video, press the “Left” or “Right” button for 3 seconds again.

### Note

If the “Left” or “Right” button does NOT work, try as below:

1. Hold on the “Shutter Button”, then press the Up/Down/Left/Right to adjust the dot pointer to the Camera button.
2. Then you can just press the “Shutter Button” to take a photo or take a video.

## Tiktok Remote

### **Note: It is important!!!**

(Settings>Accessibility> Touch>Assistive Touch> TRACKING SENSITIVITY)

1. please make sure to turn “on” the AssistiveTouch in the phone.
2. Adjust the TRACKING SENSITIVITY TO 50%.

Without the above two settings, it can NOT work on Tiktok!

1. Open the “Tiktok” app.
2. Press the “Left” or “Right” button to select the tab.
3. Press “Up” or “Down” to scroll up/down videos.
4. Press the “Function Button” to Play/Pause the video.
5. Double-click the “Function Button” to thumb-up the video.
6. Hold on “Right”/ “Left” to do the Volume Control.
7. When getting to take a photo or video on Tiktok, press the “Shutter Button” to do it.

(Note: If “Shutter Button” does NOT work, try this way:

1. Hold on to the “Shutter Button”, then press the Up/Down/Left/Right to adjust the dot pointer to the Camera button.
2. Then you can just press the “Shutter Button” to take a photo or take a video.)

## **FCC Statement**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

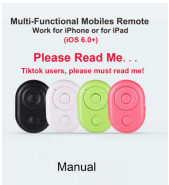

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and receiver.
3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
4. Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
