SOAIY®

SOAIY A-SF03 Portable Sound Machine

Launch Date: May 15, 2019

Price: \$26.99

Introduction

This guide will teach us about the SOAIY A-SF03 Portable Sound Machine, a small and flexible gadget made to make a relaxing space for sleep and rest. The SOAIY A-SF03 can block out annoying noises and comes with 10 relaxing sound profiles, such as white noise, ocean waves, and lullabies. It's great for use in homes, businesses, and on trips. It has a customizable timer that lets you play for 30, 60, or 90 minutes. When you're done, it turns off by itself. The device also comes with an adjustable LED night light that adds to the relaxed atmosphere with a soft glow. The SOAIY A-SF03 is movable and great for relaxing while you're on the go because it has a built-in rechargeable battery that can be used continuously for up to 38 hours. It's small, light, and simple to use, and it works for adults, kids, and babies. It's a useful way to sleep better and concentrate.

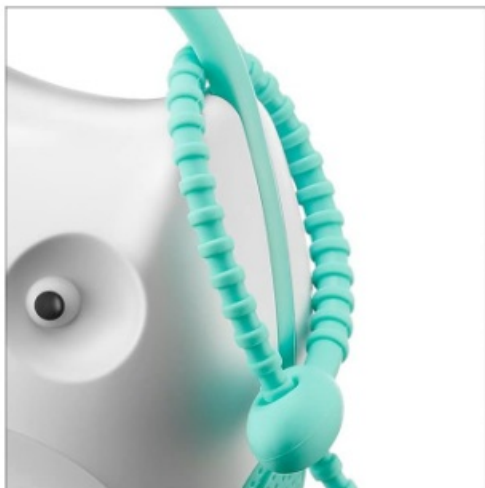

Specifications

- **Brand:** SOAIY
- **Model:** A-SF03
- **Color:** Green
- **Material:** Plastic
- **Power Source:** Battery Powered
- **Package Dimensions:** 5.83 x 3.23 x 2.95 inches
- **Item Depth:** 5.5 inches
- **Item Weight:** 7.4 ounces
- **Batteries Required:** No

Package Includes

- 1 x SOAIY A-SF03 Portable Sound Machine
- 1 x USB Power Cable
- 1 x AC Adapter
- 1 x User Manual

Features

With Adjustable Strap

USB Rechargeable

Built-in 2 Speakers

Easy Operation Buttons

Multiple Sound Options:

- This machine offers 10 distinct sound profiles, including white noise, ocean waves, thunder, and lullabies, to create a calming atmosphere. It also includes fan sounds, birds chirping, and relaxing rain sounds, providing variety to suit different preferences or environments.
- Ideal for helping people sleep, relax, or focus by masking disruptive noises, these sound options are suitable for both adults and children.

Adjustable Timer:

- The sound machine is equipped with an auto-timer feature, which allows you to set it to play for 30, 60, or 90 minutes. After the selected time period, the machine will turn off automatically, saving energy and ensuring it

doesn't run all night.

- This feature is perfect for users who like to fall asleep to sound without worrying about turning it off manually.

Portable Design:

- With a lightweight, compact design, this sound machine is perfect for travel. You can easily carry it in your bag or suitcase, making it a convenient tool for maintaining a familiar sleep routine while on the go.
- Weighing just 135 grams and measuring 5.5 x 3 inches, its small size is great for use at home, in a hotel, or at the office.

Volume Control:

- The sound machine features adjustable volume, allowing users to find the perfect level to suit their needs. Whether you want to mask unwanted noise or create a peaceful environment for relaxation, you can easily modify the volume with a simple control dial.
- This ensures you can find a comfortable sound level for sleeping, working, or calming your baby.

Power Options:

- The device can be powered either through USB or via an AC adapter, offering flexible charging options.
- A built-in rechargeable battery allows for up to **38 hours of continuous play** on a single full charge, making it ideal for long trips where access to power outlets may be limited.

LED Night Light:

- Designed with a soft, adjustable LED night light, the machine enhances the relaxing atmosphere with a gentle glow. This feature is especially useful for night feedings, as it provides enough light without being too bright and disruptive.
- You can easily adjust the brightness to create a comforting sleep environment for your baby or use it as a soft light in your room.

8 Soothing Sounds:

- In addition to the white noise and nature sounds, the machine includes soothing heartbeat and “shusher” sounds that mimic the calming sounds a baby hears in the womb. It also features lullabies such as “**Hush Little Baby,**” “**Cradle,**” “**Rock-a-Bye,**” and “**Twinkle Twinkle Little Star,**” making it an ideal companion for baby naps and bedtimes.

Built-in 8 Soothing Sounds

Rechargeable Baby Sound Machine:

- With a built-in rechargeable battery, the sound machine can operate for **up to 38 hours** on a full charge, so you don't need to search for a power source frequently.
- It also supports usage while charging, allowing uninterrupted operation even when the battery is low.

Timer Options:

- The machine includes a timer function with three settings: 30 minutes, 60 minutes, or continuous play. This feature is great for parents who want the machine to stop automatically after their baby has fallen asleep.
- When using the timer function, the machine will automatically turn off at the designated time, eliminating the need to manually switch it off.

Additional Features:

- **Portable Size:** The sound machine weighs only 135g and has compact dimensions (5.5 x 14 inches), making it a perfect companion for travel.

- **Volume & Brightness Adjustments:** Both the sound volume and night light brightness are fully adjustable, allowing users to customize the ambiance to their preference.
- **Certifications:** The device is certified with FC and RoHS standards, ensuring it meets safety and environmental standards.

Usage

1. **Powering the Device:** Plug the USB cable into the machine and connect it to the AC adapter or any USB power source.
2. **Selecting Sound:** Press the sound button to toggle through different sound options.
3. **Setting Timer:** Use the timer button to choose between 30, 60, or 90-minute intervals or continuous play.
4. **Adjusting Volume:** Use the volume dial to control the sound intensity.
5. **Night Light:** Toggle the night light on or off using the dedicated button.

Care and Maintenance

- **Cleaning:** Wipe the exterior of the sound machine with a soft, dry cloth. Avoid using liquid cleaners or exposing

the machine to moisture.

- **Storage:** When not in use, store the device in a cool, dry place, away from direct sunlight or extreme temperatures.
- **Power Source:** Ensure the USB cable is properly inserted and avoid bending or damaging the cord.

Troubleshooting

Problem	Possible Cause	Solution
No sound output	Volume turned down or device is off	Ensure the SOAIY A-SF03 is powered on and adjust the volume
Sound machine not powering on	Battery is low or not charged	Charge the SOAIY A-SF03 fully or connect to a power source
Distorted sound	Volume too high or weak power supply	Lower the volume or use a stable power supply
Timer not functioning	Incorrect timer setting	Recheck the timer setting on the SOAIY A-SF03 and reset if needed
Night light not turning on	LED malfunction or power issue	Check the power connection and press the night light button on the SOAIY A-SF03
Sound stops unexpectedly	Battery running low or timer activated	Ensure the battery is fully charged or check the timer settings on the SOAIY A-SF03
Cannot adjust volume	Volume control malfunction	Turn the SOAIY A-SF03 off and on again or reset it
Charging issues	Cable not properly connected	Ensure the charging cable is securely connected to the SOAIY A-SF03
Not turning off automatically	Timer not set correctly	Reset the timer or check settings on the SOAIY A-SF03
Device not responding	Software glitch or low battery	Restart the SOAIY A-SF03 and ensure it is fully charged
Battery drains quickly	Excessive usage without recharging	Fully charge the SOAIY A-SF03 before extended use
Device overheats	Continuous use or power issue	Allow the SOAIY A-SF03 to cool down and avoid using it while charging
Unresponsive buttons	Device malfunction or dirt accumulation	Clean the buttons of the SOAIY A-SF03 or reset the device
Cannot switch between sounds	Button malfunction or software issue	Restart the device and try toggling sounds again
Night light too dim	Low brightness setting	Increase the night light brightness on the SOAIY A-SF03 using the adjustment controls

Pros and Cons

Pros	Cons
Portable and lightweight	Limited sound options compared to others
Long battery life	May not suit all preferences
User-friendly design	Night light may be too dim for some
