SOBAST S21 Bluetooth Speaker

Specifications

- Compliance: Part 15 of the FCC Rules
- Radiation Exposure Limits: FCC approved for an uncontrolled environment
- Minimum Distance: 0cm between radiator and body

Product Usage Instructions

Caution:

Any changes or modifications to this device not explicitly approved by the manufacturer could void your authority to operate this equipment.

Compliance:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

Radiation Exposure Limits:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. It should be installed and operated with a minimum distance of 0cm between the radiator and your body.

Welcome to purchase our speaker. In order to let you use this product better, please read the manual carefully. Due to the iterative upgrading of the product, there may be some changes in the description and packaging. Please refer to the real object!

Bluetooth connection: After the speaker is turned on, it enters the Bluetooth pairing state. Search for the Bluetooth name “S21” on the mobile phone and click to connect. Connect.

Specifications

Project	Specifications	Project	Specifications
Bluetooth version	V5.4	Charging voltage	5V1A
Bluetooth distance	≥10M	Charging time	3.5H
Power	5W	Frequencyresponse	40Hz-20KHz
Capacity of battery	1200mAh	Signal-to-noise ratio	≥85dB

Kindly reminder

- Please check the charger specifications before charging. Do not use fast charging or

high-voltage chargers to charge the speaker.

- For hearing health, please do not use it at maximum volume for a long time.
- Do not use it near a fire source or in a high-temperature environment to avoid permanent damage to the speaker.
- Please use it strictly according to the instructions, and do not modify or disassemble the product without permission.
- Do not drop, impact, knock, squeeze, or other behaviors that seriously affect the product structure to avoid damage to the strength and reliability of the product.
- If you encounter high temperature, deformation, corrosion, and other abnormalities during use, please stop using it immediately and contact the merchant for proper disposal.

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used according to the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an output circuit to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by the manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1. This device may not cause harmful interference, and
- 2. This device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 0cm between the radiator and your body.

FAQ

Q: What should I do if I encounter interference while using the device?

A: Ensure that the device is placed in an area with minimal interference sources. If interference persists, contact customer support for further assistance.
