Luminaire Solaris Solaris Learning Scanner and JPeg

Location: west

Project: Solaris Learning – Scanner and JPeg working with sewing and embroidery

Solaris or Luminaire sewing/embroidery machine Power cord

***Basic Sewing Supplies**

- Sewing Machine, Power Cord,
- Embroidery Unit & hoops pre-wound bobbins
- Needles topstitch 80/12

- Largest hoop
- Scanner that came with machine.
- SNOWMAN STICKERS!!!!!!

- White accessory box came with machine
- Fabric and stabilizer to fit hoop, fabric will
Be easier to see if it reads solid. No show mesh or tear away stabilizer to fit hoop.
- Additional fat quarter or equivalent fabric with Pellon 101 stabilizer attached to play with scanner on sewing side. Bring a plain fabric and one with a design such as flowers or critters.
- Extra fabric to play with and stabilizer
- Sewing base for machine.
- Basic sewing supplies including threads and bobbins
- Basic embroidery supplies including threads and prewound bobbins.
- Inspiration guide if you have it.

This is a technique class not a project class. You will go home with samples, not a finished project Paper and pen if you wish to take notes.

Basic sewing supplies with sewing threads

++++++We understand that these beauties are VERY heavy. If you can get it in your car and to our store, we will help you get it out for class and back in the car to go home++++++

Before Class

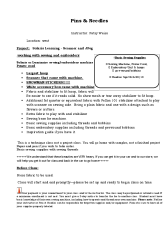

Press fabric to be used.

Class will start and end promptly—please be set up and ready to begin class on time.

 Your payment is your commitment to your class and to the instructor. The class may be postponed or refund issued IF a minimum enrollment is not met. You must give a 3-day notice to transfer the fee to another class. Student must have basic knowledge of their own sewing machine, including how to operate and thread your own machine. Please note: Neither your instructor or Pins & Needles can be responsible for forgotten supplies and/or equipment. Please be sure to have all of your supplies properly labeled.
