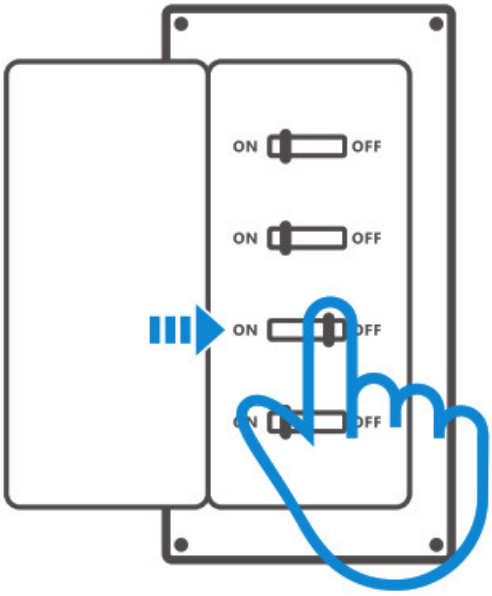
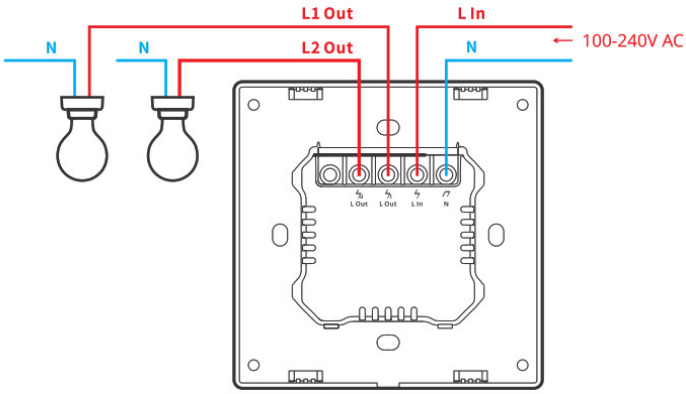
Power off



Please install and maintain the device by a professional electrician. To avoid electric shock hazards, do not operate any connection or contact the terminal connector after plugging in!

Wiring instruction

Light fixture wiring instruction



Make sure the neutral wire and live wire connection is correct.

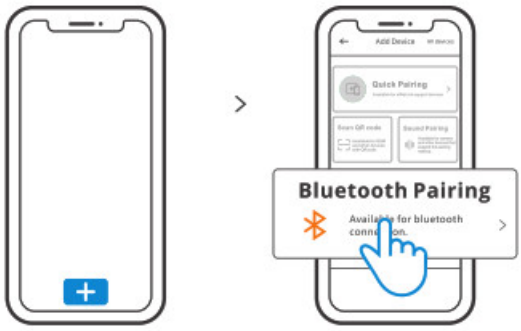
Download the eWelink APP

http://app.coolkit.cc/dl.html

Power on

After powering on, the device will enter the Bluetooth Pairing Mode during the first use. The screen status is shown in the above image.

Add the Device



Tap “+” and select”Bluetooth Pairing”, then operate following the prompt on the APP.

LIKE IT!

Glad to know you are satisfied with SONOFF products. It would mean a lot to us if you can take a minute to share your buying experience.
