### Warning:

Do not point the lens or camera directly at the sun or other strong light sources to avoid eye damage.

The storage environment of the lens should be kept away from direct sunlight, so as not to converge and heat to cause a fire.

Do not place the lens in a place where children can reach it to prevent immeasurable danger.

### Tips:

Please store the lens in a dry environment to avoid moisture and mold, which may affect the image quality.

This product does not have a waterproof function, so avoid water sources during use.

When cleaning the lens, please blow the surface of the lens several times with air blower, and then gently wipe with a clean, soft lens cloth/ paper.
