Product Information

Specifications

- **Model Number:** 1000040505
- **Brand:** Sony
- **Compatible with:** PlayStation
- **Trademarks:** PlayStation, Sony Interactive Entertainment Inc.

Product Usage Instructions

Setup

- Ensure your PlayStation console is powered off before connecting the product. Connect the product to the designated port on your PlayStation.

Power On

- Power on your PlayStation console. The product should automatically sync with the console once powered on.

Usage

- Use the product according to the instructions provided in the game or application you are using. Ensure the product is within the recommended distance from the console for optimal performance.

Maintenance

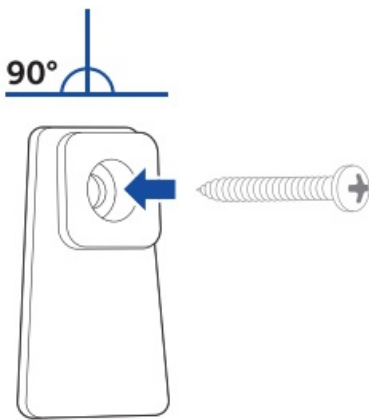

- Regularly clean the product using a soft, dry cloth to remove any dust or debris. Avoid using harsh chemicals or abrasive materials that may damage the product.

FAQ

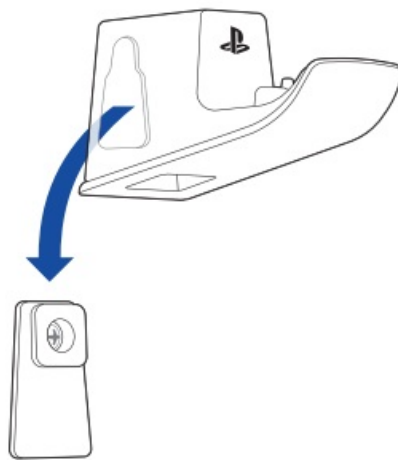

- **Q: Is this product compatible with all PlayStation models?**
 - **A:** This product is designed to be compatible with most PlayStation models; however, please refer to the product specifications for specific compatibility information.
- **Q: How do I troubleshoot if the product is not working?**
 - **A:** If you encounter issues with the product not working, try reconnecting it to the console, ensuring proper power supply, and checking for any software updates on your PlayStation.
