SOULION R30 Plus Bluetooth Computer Speakers

Introduction

The SOULION R30 Plus Bluetooth Computer Speakers offer a high-quality audio experience for your PC, laptop, tablet, or smartphone. These sleek, modern speakers combine vibrant sound with stylish design, making them perfect for both work and entertainment. The R30 Plus delivers clear highs, rich mids, and powerful bass, ensuring immersive sound quality for music, gaming, and movies. Equipped with Bluetooth 5.0, wired AUX connection, and USB power, the SOULION R30 Plus speakers provide flexibility and convenience for any setup.

Specifications

Speaker Unit	2INCHx 2
Power Output (RMS)	5Wx 2
Frequency Range	60Hz-20KHz
Input Sensitivity:	500mV
Separation:	ie65dB
Bluetooth Compliant	VS.3
Power Supply	USB 5V/1A
Function	USB Sound Card / Bluetooth
Product Size	W415xD78xH68mm

Usage

- **Bluetooth Connection:** Pair the speakers wirelessly with your Bluetooth-enabled devices such as smartphones, laptops, and tablets.
- **Wired Connection:** Use the provided AUX cable for a reliable wired connection with computers or audio devices without Bluetooth.
- **USB Powered:** Connect the USB cable to your computer or a USB adapter for power, making it perfect for portable setups.
- **Sound Adjustment:** Use the built-in controls to adjust volume, bass, and treble for an optimized listening experience.
- **Multimedia:** Enjoy movies, music, and games with dynamic sound quality, enhancing your entertainment experience.

Safety Tips

1. **Avoid Water Exposure:** Keep the speakers dry and avoid contact with liquids to

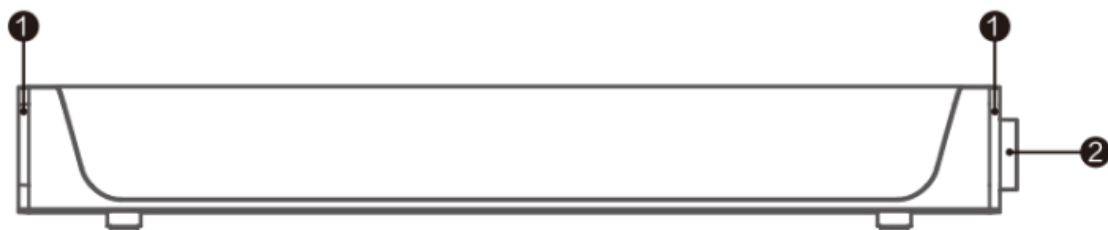

prevent damage.

2. **Proper Ventilation:** Do not block speaker vents. Ensure they have adequate space for airflow to avoid overheating.
3. **Avoid Overloading:** Do not exceed the recommended power output (5W per speaker). Avoid playing audio at excessively high volumes for extended periods to protect the speakers from damage.
4. **Use Proper Charging:** Always use the supplied USB cable for power to ensure safe charging and avoid potential electrical issues.
5. **Disconnect When Not in Use:** Disconnect the speakers when not in use for prolonged periods to avoid unnecessary wear on components.

Package Content

Speaker+ User Manual

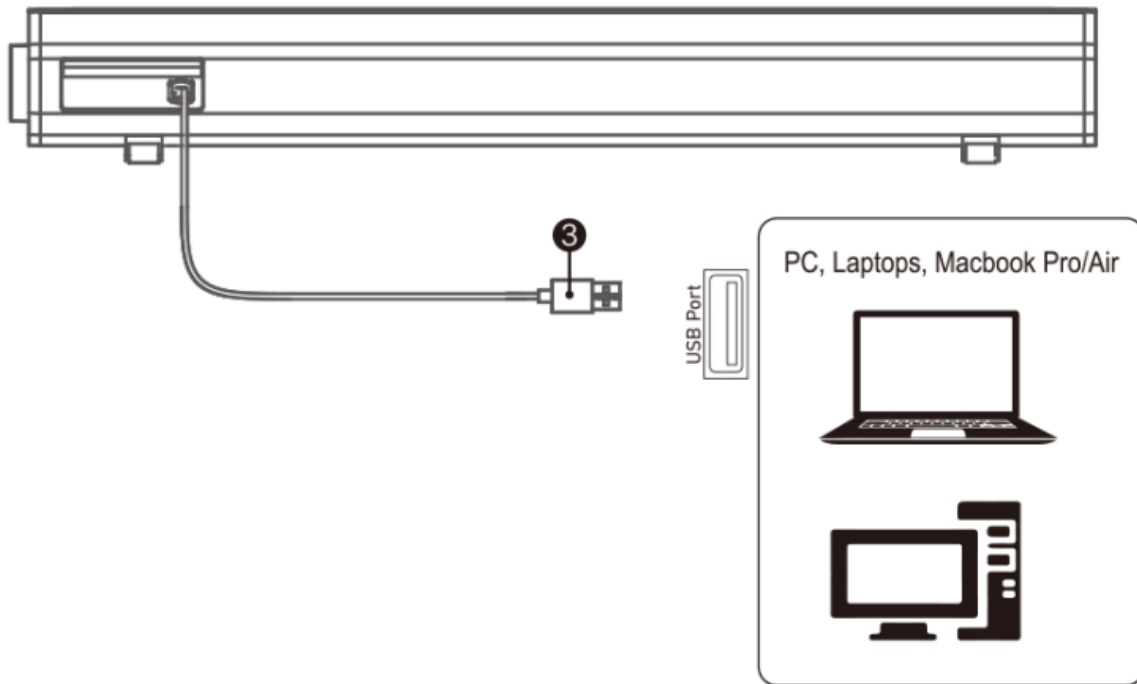

Button Command:

1. LED lighting effect
2. Multi-functional Button:
 - Long Press for 3 Seconds: Power ON/OFF
 - Double Click: Switch to Bluetooth/USB Sound Card Mode
