soundcore A33A1 Portable Speaker

Important Safety Information

1. Please read this user manual carefully and save it for future reference.
2. Do not place naked flame sources, such as lighted candles, on or near the product.
3. Clean only with a dry cloth. Do not use any corrosive cleaner or oil.
4. Do not install near any heat sources, such as radiators, heat registers, stoves, or other apparatus.
5. Only use attachments/accessories specified by the manufacturer.
6. Operating temperature should be between 0°C to 35°C/32°F to 95°F.
7. Do not make unauthorized alterations to the product; doing so may compromise safety, regulatory compliance, system performance, and may void the warranty.
8. Servicing is required when the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
9. The product contains a battery pack, so should not be exposed to excessive heat such as sunshine, fire or the like.

Notice

CAUTION: RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.

This product complies with the radio interference requirements of the European Community.

Declaration of Conformity

Hereby, Anker Innovations Limited declares that the product type A33A1 is in compliance with Directives 2014/53/EU & 2011/65/EU and amendment (EU) 2015/863.

The full text of the EU declaration of conformity is available at the following internet address:

<https://www.soundcore.com>

Maximum output power: 13.43 dBm,

Frequency band: 2.4G band (2.402GHz-2.480GHz)

This product complies with the radio interference requirements of the United Kingdom Declaration of Conformity.

Hereby, Anker Innovations Limited declares that the product type A33A1 is in compliance with Radio Equipment Regulations 2017(SI 2017/1206). The full text of the UK declaration of conformity is available at the following internet address: <https://www.soundcore.com/>

The following importer is the responsible party (contact for EU and UK matters).

Anker Technology (UK) Limited

GNR8, 49 Clarendon Road, Watford, Hertfordshire, WD17 1HP, United Kingdom

Anker Innovations Deutschland GmbH

Georg-Muche-Strasse 3, 80807 Munich, Germany

This symbol means the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Follow local rules and never dispose of the product and rechargeable batteries with normal household waste. Correct disposal of old products and rechargeable batteries helps prevent negative consequences for the environment and human health.

FCC Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20 cm between the radiator & your body.

Company Name: Fantasia Trading LLC

Address: 5350 Ontario Mills Pkwy, Suite 100, Ontario, CA 91764

Telephone: +1 (800) 988 7973

IC NOTICE TO CANADIAN USERS

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

This equipment complies with IC RF radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20 centimeters between the radiator and your body.
