soundcore CS 05 Space One Headphone User Manual

SUPPORT

Please visit **www.soundcore.com/support** for more information.

APP

Download the soundcore app to switch ambient sound modes, adjust EQ settings, update firmware, and explore
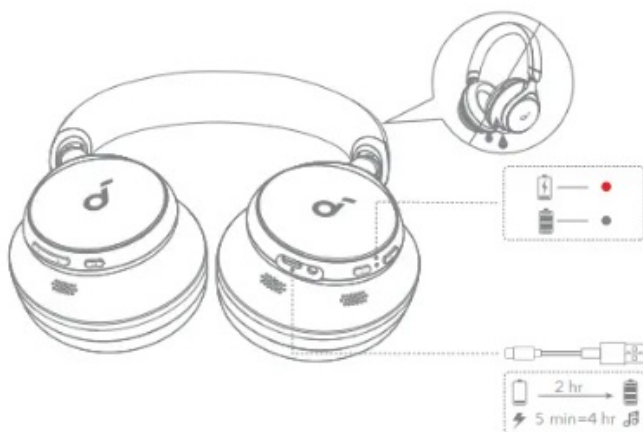

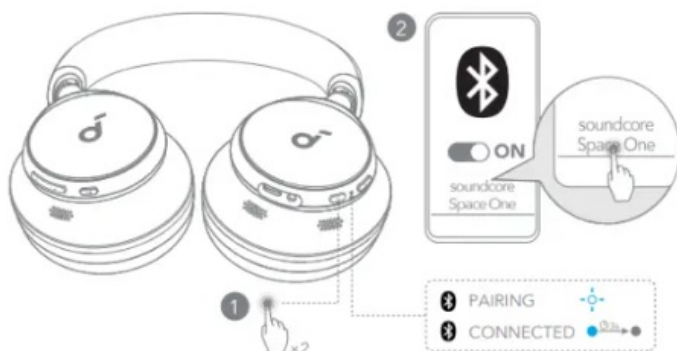

more.

WEARING

Wear the headphones with the "L" logo on your left ear and "R" logo on your right ear.
Adjust the length of the headband for a comfortable fit.

CHARGING

Fully dry the USB port before charging.

POWERING ON & PAIRING

Auto Pairing: Press and hold the power button for 3 seconds to power on. The headphones will automatically

enter Bluetooth pairing mode when connecting for the first time. Select "soundcore Space One" on your device's Bluetooth list to connect.

Google Fast Pairing: Enjoy instant pairing with your Android smartphone (running Android 6.0 and above) via Fast Pair enabled by Google.
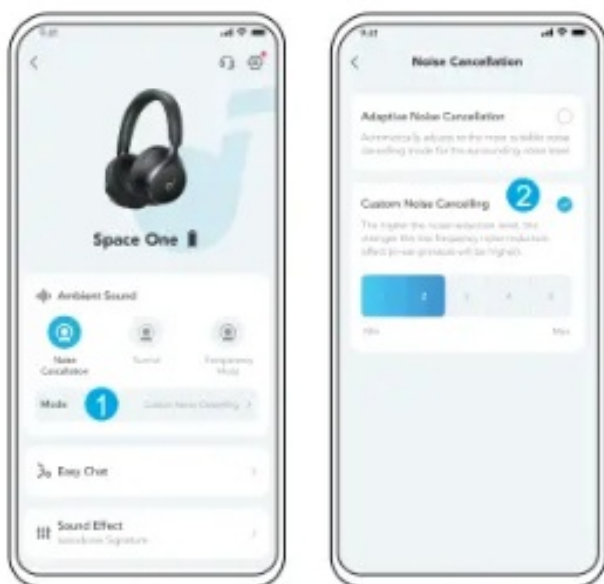

MULTIPOINT CONNECTION

The headphones can connect with two devices at the same time.
When already connected to one device, press the power button twice to pair with another device.
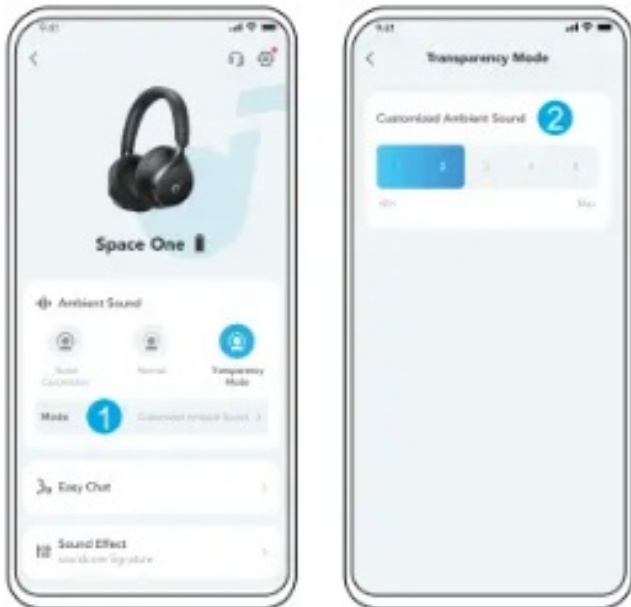

BUTTON CONTROLS

* You can enable Normal mode in the soundcore app.
×1: Press once ×2: Press twice
2s: Press and hold for 2 seconds 3s: Press and hold for 3 seconds

NOISE CANCELLATION

To reduce ambient noise, switch to noise cancellation (default) via the NC button and customize it in the soundcore app.
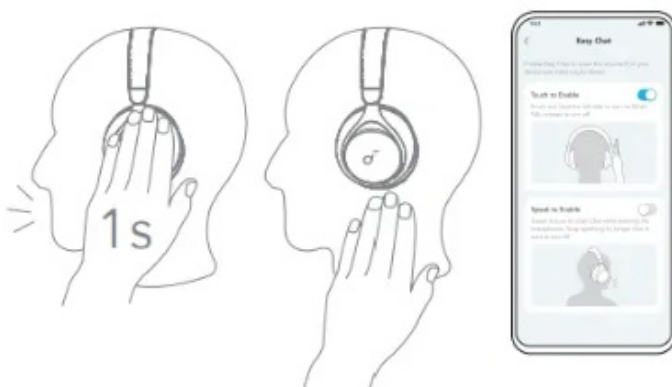

- Adaptive Noise Cancelling: Adjust the level of noise cancellation automatically for various scenarios.
- Custom Noise Cancelling: Set the level of noise cancellation manually.

TRANSPARENCY

To stay aware of your surroundings while listening to music, switch to transparency mode via the NC button and customize it in the soundcore app.

- Custom Transparency Mode: Set the level of transparency manually.
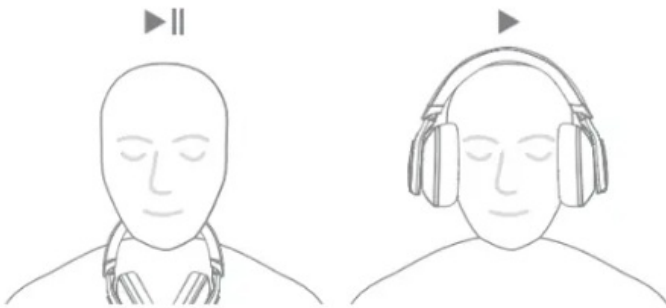

EASY CHAT

Easy Chat mode automatically lowers the volume of music and amplifies the voice of the person you're talking to so that you can communicate without taking the headphones off.

- To activate Easy Chat, hold the left panel for 1 second until you hear a notification sound. Turn off this mode by releasing your hand. (Default)

- You can also enable Easy Chat in the soundcore app. Easy Chat will automatically turn on when you're talking, and off when you stop talking for 10 seconds.

WEARING DETECTION

Auto-pause music playback when removing the headphones, wear them again to resume.
*You can disable Wearing Detection in the soundcore app.

LDAC

Enable LDAC in the soundcore app for higher-quality audio.
*Only available on devices powered by Android 8.0 or later.
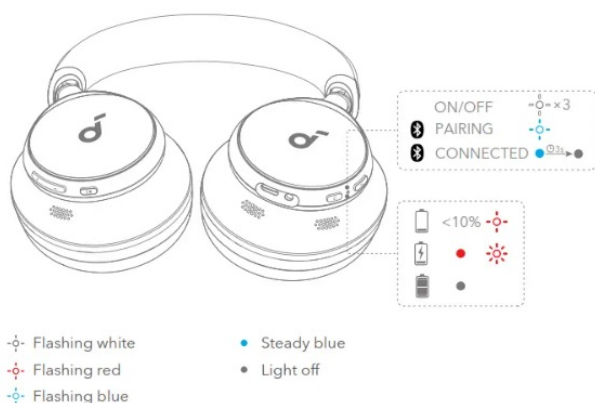

WIRED LISTENING

Play audio on an external device by plugging in a 3.5mm AUX cable. Wired listening will automatically turn off Bluetooth mode.

RESET

Press and hold the volume up and power button simultaneously for 5 seconds until the LED flashes red three times.
