Open the charging case, the earbuds will automatically power on and enter pairing mode. Select "soundscore Sleep A10" on your device's Bluetooth list to connect.

RE-PAIRING

Pairing with another device: Place the earbuds in the charging case and leave the case open. Press and hold the button on the case for 3 seconds to enter pairing mode.

SELECTING LISTENING MODE
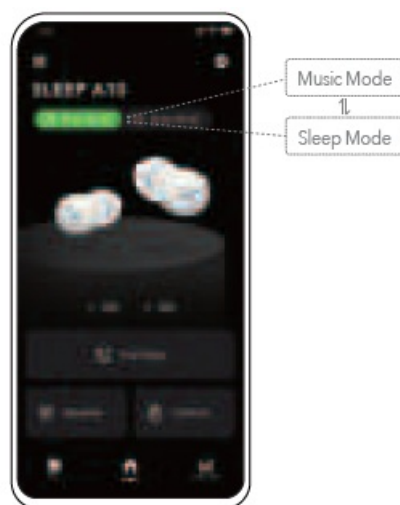

You can switch between Music Mode and Sleep Mode via the sound core app or by tapping the left earbud twice.

- Music Mode: Play soothing sounds from the sound core app, or connect to your favorite apps for more audio

content.

- Sleep Mode: Listen to the soothing sound downloaded onto your earbuds without having to interact with apps.
ADAPTIVE NOISE MASKING

Enable Adaptive Noise Masking* to adjust volume automatically depending on the noise levels. Only available in Sleep Mode.
SLEEP DETECTION

Sleep Monitoring: The earbuds can monitor your sleep and provide a sleep quality report.Smart Switch: Enable this feature to automatically switch to Sleep Mode when you fall asleep.
CONTROLS

x2: Tap twice firmly
Customize more controls in the sound core app.

POWERING OFF

To power off, place the earbuds in the charging case and close it.

RESET

Place the earbuds in the charging case and leave the case open. Press and hold the button on the charging case for 10 seconds until the LED indicators rapidly flash white 3 times.

- Customer Service
- 18-month limited warranty
- Lifetime technical support
- Our warranty is additional to the legal rights consumers have buying this product
- The phone call function is not supported on sound core Sleep A10. Please use your mobile phone to answer a call.
- sound core Sleep A10 adopts noise masking instead of noise canceling. Noise masking covers up noise with selected sounds, while noise-canceling offsets noise using sound waves.
