-○-	Flashing White	Incoming Call

👆◎2s	Press and hold for 2 seconds to turn Light Effects Off
👆×1	Press to turn Light Effects On
👆×1	Press once to switch between Light Effects modes

Check available Light Effects modes on Soundcore App.

NOTE:

- When turned on, Soundcore Flare+ will automatically connect to the last connected device if available. If not, press the Bluetooth pairing button to activate pairing mode.
- To pair a different device, press the Bluetooth button to re-enter pairing mode. Then repeat the pairing steps.
- Having connection problems? Remove Soundcore Flare+ from your device's Bluetooth history and ensure it's less than 3 feet away. Then try pairing again. To get the best sound quality, make sure there is a clear line of sight between the connected device and your speaker.

b. AUX-In mode
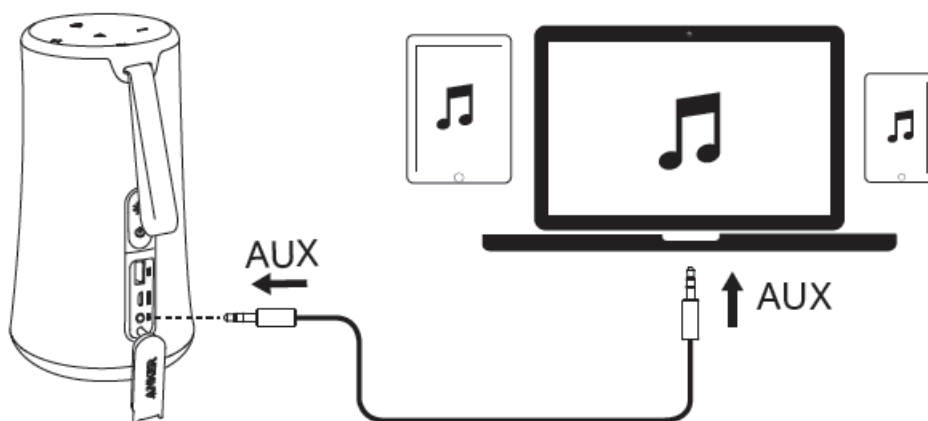

* SoundLine AUX cable sold separately.

Note: Plugging in an audio cable will automatically switch to AUX mode. When using AUX mode, control audio playback via the connected device.

Charging your Soundcore Flare+
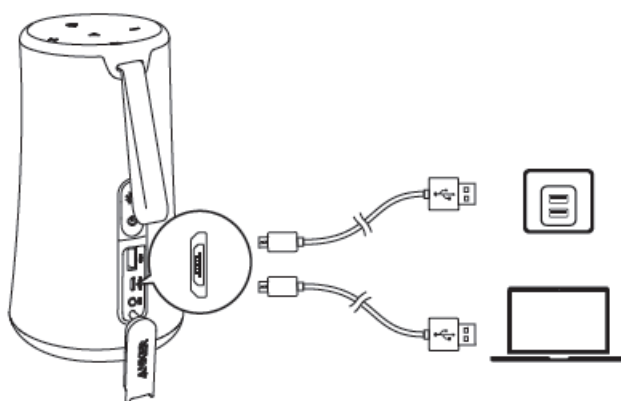

◌ Slow Flashing Red	Low Battery
● Solid Red	Charging
Off	Fully Charged

NOTE:

- Use the included USB cable to charge your Soundcore Flare+ and make sure it is fully charged before its first use.
- Disconnect your speaker from the charger when fully charged. Do not charge your speaker for extended periods.
- When not in use, store your speaker in a cool place.

Soundcore App

Soundcore App
