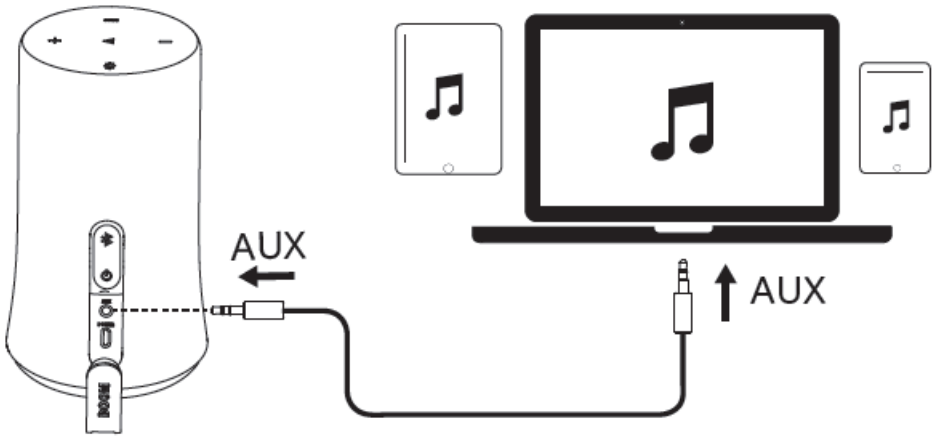
2s	Press and hold for 2 seconds to turn Light Effects Off
×1	Press to turn Light Effects On
×1	Press once to switch between Light Effect modes

NOTE:

- When turned on, Soundcore Flare will automatically connect to the last connected device if available. If not, press the Bluetooth pairing button to activate pairing mode.
- To pair a different device, press the Bluetooth button to re-enter pairing mode. Then repeat the pairing steps.
- Having connection problems? Remove Soundcore Flare from your device's Bluetooth history and ensure it's less than 3 feet away.
- Then try pairing again. To get the best sound quality, make sure there is a clear line of sight between the connected device and your speaker.

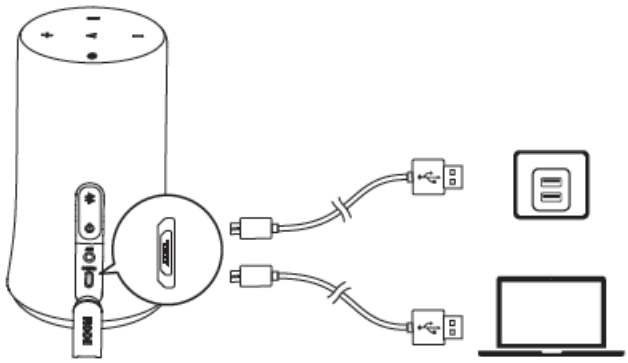
b. AUX-In mode



* SoundLine AUX cable sold separately.

Plugging in an audio cable will automatically switch to AUX mode.
When using AUX mode, control audio playback via the connected device.

Charging your Soundcore Flare



Slow Flashing Red	Low Battery
Solid Red	Charging
Off	Fully Charged

NOTE:

- Use the included USB cable to charge your Soundcore Flare and make sure it is fully charged before its first use.
- Disconnect your speaker from the charger when fully charged. Do not charge your speaker for extended periods.
- When not in use, store your speaker in a cool place.

Soundcore App
