 Flashing red	Low battery
 Solid red	Charging
Light off	Fully charged

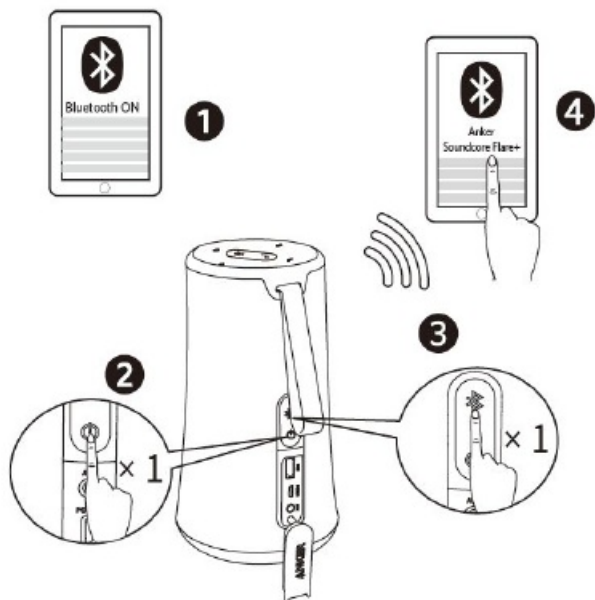

Using Your Flare S+

Turn On / Off

On	Press
Off	Press and hold for more than 2 seconds

Bluetooth Mode

 Flashing blue	Bluetooth pairing
 Solid blue	Bluetooth connected

- When turned on, Soundcore speaker will automatically connect to the last connected device if available within the Bluetooth range. If not, press and hold the Bluetooth pairing button to enter Bluetooth pairing mode.
- To pair with another device, press the Bluetooth button to re-enter pairing mode.

Alexa Setup

You need to set up Flare S+ in the Amazon Alexa app before using Alexa. By using Alexa, you can access all functions of Soundcore Flare S+.

Note: Make sure your mobile phone has been connected to the network.

1. Press the power button to power on. Connect Flare S+ to your mobile phone via Bluetooth.
2. Download the latest version of the Amazon Alexa app from Google Play or Apple App Store to your mobile phone.
3. Open the Amazon Alexa app on your mobile phone and login to your Alexa account (or sign up for an account).
4. Follow onscreen app instructions to complete the setup for Flare S+.
5. The voice function status indicator of Flare S+ will change to steady white and there will be a notification prompt once the setup is complete.
6. Your Flare S+ is ready for your voice commands

Solid white: Alexa is ready

Voice command

Say “Alexa” to access the Alexa Wizard and explore the huge library of smart functions such as the ability to answer questions, play music, control Alexa devices, shop online, and more.

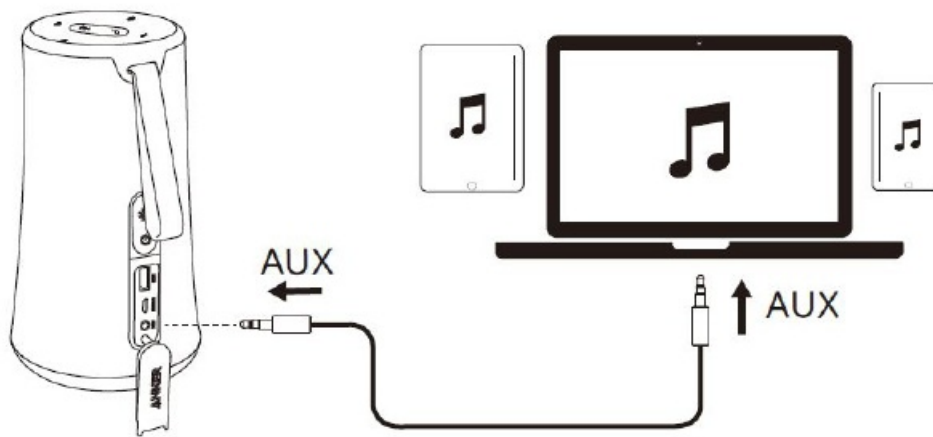

Here are some simple commands:

Alexa, Wikipedia [name of a place / specific era of time]	Display the asked-for content from Wikipedia
Alexa, show me the weekend forecast	Display the weekend weather forecast

Note: Alexa isn't available in all languages and countries.
Visit the Alexa official website for more voice command information:
<https://developer.amazon.com/zh/alexa-voice-service>

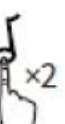

AUX-In Mode

Plugging in an audio cable (not provided) will automatically switch to AUX-In mode.

When using AUX mode, control audio playback via the connected device.

Controls

	Play / Pause
	Next track
	Previous track
	Bass Boost On / Off
	Mute

	Volume Up / Down
---	------------------

	Answer / End a call
	Reject a call

	Activate Alexa
--	----------------

	Turn light effects on / Switch light effect modes
	Turn light effects off

Play Spotify Music

Play Spotify music in the Spotify app.

- (1) Download the latest Spotify app and log in with your Spotify account.
- (2) Pair the phone bluetooth with Soundcore Flare S+.
- (3) Click the Spotify logo and open Spotify app.
- (4) Play your favorite music from Spotify on Soundcore Flare S+.

Play Spotify music in the Amazon Alexa app.

- (1) Download the latest Spotify app and log in with your Spotify account.
- (2) Pair the phone bluetooth with Soundcore Flare S+.
- (3) Download the latest Alexa app and log in with your Alexa account.
- (4) Pair Soundcore Flare S+ with Alexa app:
Devices> Add Device> Speaker> Soundcore> Soundcore Flare S+
- (5) Use Alexa to play a song, an album or a playlist from Spotify. For example:
“Alexa, play Sugar by Maroon 5 on Spotify.”
