SOYOK 01 2-PCS Candle Lighter

INTRODUCTION

A contemporary and environmentally responsible way to light candles, barbecues, fireplaces, and other objects is with the SOYOK 2 PCS Candle Lighter. This package, which costs **\$8.98**, comes with two flameless, USB rechargeable lighters that are made with ease and safety in mind. Because of its 360° flexible neck, each lighter is perfect for spots that are difficult to reach. These lighters are ideal for both indoor and outdoor use because of their windproof design and LED power display.

WHAT'S IN THE BOX

- 2 x SOYOK Electric Candle Lighters
- 2 x USB Charging Cables
- User Manual

FEATURES

- **Flameless Arc Technology:** Uses a high-voltage plasma arc for ignition, eliminating the need for open flames and providing a safer lighting method.
- **Windproof Design:** The arc remains stable even in breezy conditions, making it reliable for both indoor and outdoor use.
- **360° Flexible Neck:** Allows you to reach difficult angles and tight spaces for precise lighting.
- **LED Power Display:** Clearly shows the battery level, helping you avoid unexpected power loss during use.

- **USB Rechargeable:** Offers an eco-friendly and cost-effective charging solution compatible with most USB ports.
- **Safety Switch Lock:** Prevents accidental activation, ensuring safety around children and pets.
- **10-Second Auto-Off Timer:** Automatically shuts off after 10 seconds to conserve battery and prevent overheating.
- **Compact Size:** Folds down to 6.5 inches, making it portable and easy to store in drawers or bags.
- **Durable Construction:** Made from high-quality metal for long-lasting performance and reliability.
- **Ergonomic Design:** Comfortable grip reduces hand fatigue during extended use.
- **Rechargeable Up to 600 Times:** Each full charge provides approximately 600 uses, offering excellent value and longevity.
- **Versatile Applications:** Ideal for lighting candles, grills, fireplaces, stoves, and more.
- **Environmentally Friendly:** Reduces the need for disposable lighters, helping you minimize waste.

- **Stylish Appearance:** Modern and sleek design complements any home, kitchen, or outdoor setting.
- **User-Friendly Operation:** Simple and intuitive controls make it easy for anyone to use safely.

SETUP GUIDE

- **Unbox the Lighter:** Remove the lighter and USB charging cable from the packaging.
- **Connect to Power:** Insert the USB end into a power source and connect the other end to the lighter.
- **Charge the Lighter:** Allow 1–2 hours for a full charge. Monitor the LED power display to confirm when charging is complete.
- **Activate the Lighter:** Press the safety switch lock to turn on the lighter.
- **Ignite the Arc:** Press the ignition button to produce the plasma arc.
- **Position the Arc:** Use the 360° flexible neck to direct the arc where needed for precise lighting.

- **Turn Off After Use:** Release the ignition button and re-engage the safety switch when finished.
- **Store Safely:** Keep the lighter in a cool, dry place away from heat or moisture.
- **Recharge as Needed:** Repeat the charging steps whenever the LED display shows low battery.
- **Avoid Water and High Heat:** Never submerge the lighter and keep it below 65°C for optimal performance.
- **Regular Cleaning:** Wipe with a dry cloth periodically to maintain cleanliness and efficiency.

CARE & MAINTENANCE

- **Regular Cleaning:** Remove dust and debris using a soft, dry cloth; avoid harsh chemicals or abrasives.
- **Proper Storage:** Keep in a cool, dry place to maintain longevity and performance.
- **Avoid Extreme Temperatures:** Do not expose to freezing conditions or direct heat.

- **Use Correct Charging Cable:** Charge only with the provided USB cable to ensure safe operation.
- **Do Not Disassemble:** Never attempt to take apart the lighter to prevent damage or safety hazards.
- **Keep Charging Port Clear:** Ensure the port is free from dust or obstructions.
- **Dry if Wet:** If the lighter comes into contact with water, dry thoroughly before use.
- **Handle with Care:** Avoid dropping to prevent internal damage.
- **Monitor Functionality:** Do not use if signs of malfunction appear; check the safety switch lock regularly.
- **Keep Out of Reach of Children:** Store safely to prevent accidents.
- **Avoid Flammable Materials:** Do not use near combustible substances for safety.
- **Charge Promptly:** Recharge as soon as the LED display indicates low battery.
- **Do Not Use While Charging:** Ensure the lighter is not in operation during charging to maintain safety.

TROUBLESHOOTING

| Issue | Solution |
|-----------------------------|---|
| Lighter not producing arc | Ensure the safety switch lock is off. |
| Lighter not charging | Check USB cable and power source. |
| LED display not functioning | Inspect for damage; contact support. |
| Arc weak or inconsistent | Clean the ignition area; recharge fully. |
| Lighter not turning on | Replace USB cable; check power source. |
| Charging port obstructed | Gently clean the port with a dry cloth. |
| Overheating during use | Allow the lighter to cool before use. |
| Short battery life | Recharge promptly; avoid deep discharges. |
| Safety switch malfunction | Contact customer support for assistance. |

| Issue | Solution |
|-------------------------|--------------------------------------|
| Unusual odor during use | Discontinue use; inspect for damage. |

PROS & CONS

Pros:

- Flameless arc ensures safety and reliability.
- Windproof design suitable for outdoor use.
- 360° flexible neck allows for versatile lighting.
- USB rechargeable, reducing disposable waste.
- LED power display keeps users informed.

Cons:

- May require regular cleaning for optimal performance.
- Charging time may vary depending on power source.
- Not suitable for heavy-duty industrial use.
- Limited to electric ignition; no traditional flame.
- Safety features may require extra steps for activation.

WARRANTY

The SOYOK 2 PCS Candle Lighter comes with a 1-year limited warranty, covering defects in materials and workmanship under normal use. This warranty does not cover damages resulting from misuse, unauthorized repairs, or accidental damage. To claim the warranty, customers must provide proof of purchase and contact SOYOK’s customer service with a detailed description of the issue. SOYOK strives to ensure customer satisfaction and will address warranty claims promptly.

FREQUENTLY ASKED QUESTIONS

What is included in the SOYOK 01 2-PCS Candle Lighter set?

The set includes 2 electric arc lighters with 360 degree flexible necks, USB

rechargeable functionality, LED power display, and safety features.

What is the design feature of the SOYOK 01 lighter for outdoor use?

It has a windproof design, allowing reliable ignition even outdoors for candles, BBQs, fireplaces, grills, and camping.

How flexible is the SOYOK 01 lighter neck?

The lighter features a 360 degree flexible rotation neck, making it easy to light candles or grills at various angles safely.

Does the SOYOK 01 lighter indicate battery status?

It has an LED power display that notifies you of remaining battery life.

How do I charge the SOYOK 01 2-PCS Candle Lighter?

It is USB rechargeable; plug it into a power source using the provided cable until fully charged.

What safety features does the SOYOK 01 lighter include?
