Use and warranty limitations

- The product should be used according to its intended purpose. Incorrect use can damage the product and endanger the life of the user;
- Excessive humidity, dust and other contaminations can result in product damage which is not covered by the warranty;
- The warranty does not cover mechanical damage to the product;
- Avoid exposure to rapid changes in ambient temperature. Should they occur, wait approx. 30 minutes before using the product until the temperature is leveled;
- You can find the Warranty Terms and Conditions in "Support" at <https://spcgear.com/>.

To change some functions and settings you need to use the dedicated SPC Gear VIRO Plus software. You can download the latest software enabling you to use all headset capabilities as well as its installation and user manual from <https://spcgear.com/>
