TV where and how you want it

SpectrumU lets you watch live TV and an array of on-demand content anytime, anywhere on campus using your phone, tablet, laptop or desktop. It's also available on Apple TV, Chromecast* and Roku devices.

Getting started is fast and easy

To start watching your favorite shows today, download the Spectrum app, look for Spectrum TV in the Roku Channel Store, or visit [SpectrumTV.com](https://www.spectrumtv.com). Enter your school's email domain, sign in using your existing university

credentials, and enjoy.**

*If your school requires a web page to complete the login process for its network, you may not be able to use Chromecast.

** Available programming is based on your school's Spectrum Enterprise TV package.

Stream video your way

Watch your favorite shows live or on demand anytime, over your campus WiFi network.

Watch TV anytime on your favorite device

- Enjoy a robust channel lineup with local entertainment, sports programming and more.
- Access up to 80 TV channel apps (such as NBC, TLC, E!, DisneyNow, NFL, etc.) by entering your SpectrumU credentials.*
- Watch a full array of on-demand content including previous episodes, full series, hit movies and more.
- Quickly access your favorite content using advanced search features, filtering and programmed favorites.

*Your school's SpectrumU subscription must include the TV channel you are trying to access. Not all programmer apps are accessible with SpectrumU subscriptions.
Start watching what you want, how you want, today
Download the app, look for Spectrum TV in the Roku Channel Store, or visit [SpectrumTV.com](https://www.spectrumtv.com) to start enjoying your favorite shows today.
