Product Overview

The Speras Arc Ti is a powerful rechargeable mini key light made from a tough titanium alloy with a double surface oxidation. It features a USB-C port for fast charging and offers a high lumen output of 150lm and a low light mode of 10lm. This compact key light is a robust and dependable companion for everyday carry.

Charging & Battery Indication

To charge the flashlight, unscrew it to access the USB-C port and connect the Type C cable. The LED indicator will be red while charging and turn green when fully charged.

Safety Precautions

DO NOT shine the light directly into the eyes as it may cause temporary blindness or permanent damage. Avoid putting the flashlight into flames or excessive heat sources to prevent battery explosions.

Warranty Information

The product comes with a 2-year warranty covering non-artificial damage. Contact SPERAS aftersales department for warranty claims. The warranty excludes normal wear and tear, modifications, misuse, negligence, accidents, improper maintenance, or unauthorized repairs.
