## Product Usage Instructions

### Packing Instructions:

1. **Step 1:** Bring together pole middle points on top and bottom. Grasp pole middle points at points A and B.
2. **Step 2:** Twist and grasp point A and B. Push point B to the bottom and overlap point A on B to create one large loop.
3. **Step 3:** Hold the large loop and twist it to create two smaller loops.
4. **Step 4:** Fold and overlap one smaller loop onto the other, then hold the two flapped loops and place the elastic loop around the tent to keep it compressed for easier insertion into the carry bag.

**Warning:** Take care when opening the tent as it is under tension when packed and may spring open suddenly.

## Frequently Asked Questions (FAQ)

- Q: How should I clean the tent?

**A:** To clean the tent, gently wipe down the exterior with a damp cloth and mild soap. Allow it to air dry completely before packing it away.

- Q: Can the tent be used in rainy conditions?

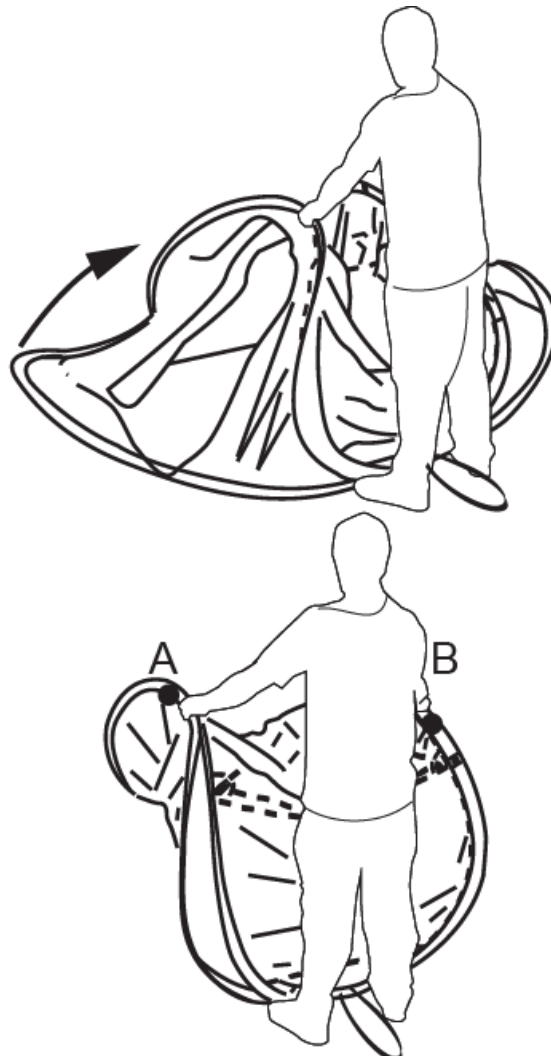

**A:** Yes, the tent is designed to be waterproof. However, it is recommended to use a ground tarp underneath to prevent moisture seepage.

- Q: How many people can the tent accommodate?

**A:** The tent comes in various sizes and can accommodate different numbers of people based on the size purchased. Refer to the product specifications for details on size options.
