SWJ1-01 Terminal Fits Terminal Power Adapter

THANKS FOR CHOOSING TO SELL WITH SQUARE TERMINAL

Start by pushing the power button located on the lower-left side of Terminal until the Square logo appears on the screen. Follow the steps on-screen to connect to the internet, and then sign in or sign up for an account. To keep your device updated, leave it powered on and plugged in overnight. Square Terminal receives automatic updates at 03:00 but you can change this time in settings if needed. Activate this product in the UK or Ireland, then continue to use it only in the country where you first activated your device.

For more information on setting up and getting the most from Terminal, visit square.com/go/uk-terminal-guide from the UK, or square.com/go/ie-terminal-guide from Ireland.

SQUARE TERMINAL

WHAT'S IN THE BOX

Square Terminal

Power adapter

Power adapter cable

Receipt paper roll

CHARGING YOUR SQUARE TERMINAL

Terminal has a rechargeable battery so it doesn't always need to be plugged into a power outlet. When the battery is running low, simply charge it up.

Plug in accessories and connect to the internet via Ethernet with Hub for Square Terminal. To learn more or buy Hub, visit square.com/go/uk-terminal-guide from the UK, or square.com/go/ie-terminal-guide from Ireland.

LOADING RECEIPT PAPER

Position and align the paper receipt roll exactly as shown in step 2. When tearing off a receipt, tear down toward the screen.

1. Open the printer door located just above the screen.

2. Unroll a few centimetres of paper on a new paper receipt roll. Put the roll in the printer as shown above.

3. Align the paper with the feed slots, and then close the printer door. Tear off the excess paper.

To view compatible receipt paper and to reorder, go to square.com/go/uk-terminal-paper from the UK, or square.com/go/ie-terminal-paper from Ireland.

TAKING PAYMENTS

Terminal lets you accept all major chip and PIN and contactless cards. Mobile payments such as Apple Pay and Google Pay are also accepted. To take a payment, ring up the sale and tap Charge.

Chip and PIN

Insert the chip and PIN card into the slot with the chip facing up.

**Contactless**

Hold the card or mobile device close to the screen until you hear a beep.

**Magstripe-only**

Accept non-contactless cards without a chip by swiping the card on the side slot with the stripe facing Terminal. Turn on offline payments to keep taking payments, even if your Wi-Fi is down. Just reconnect to the internet within 24 hours to upload any offline transactions.

LIMITED PRODUCT GUARANTEE AGAINST DEFECTS – REPUBLIC OF IRELAND

Squareup International Limited (“Square”) guarantees this product against any defect in manufacture or workmanship or failure of the product to comply with the specifications set out in the instruction manual (“Defect”) for a period of two (2) years from the date of delivery. If the original consumer purchaser (or his/her assignee) finds this product to have a Defect within two (2) years from the original date of delivery, Square will replace the product at no cost. The limited guarantee shall be void if the Defect in the product has arisen through use other than as set out in the instruction manual. If you are acting as a consumer under applicable legislation, then this limited guarantee is in addition to (and does not affect) any of your statutory or consumer rights and remedies, including those under the Sale of Goods Act 1893 (as amended).

GUARANTEE COVERAGE

The rights in this limited guarantee may be assigned to another person without prejudice, including but not limited to the time restriction of two (2) years for customers in the Republic of Ireland from the date of delivery set out in the first paragraph of this limited product guarantee. See square.com/ie/guarantee for more information.

This limited guarantee does not apply if the product: has been subjected to alteration, modification/adaptation, abuse, misuse or otherwise used other than as set out in the instruction manual; or has been combined with any hardware or software that was not manufactured by Square or a member of its corporate group, not intended for use with the product or otherwise not included in its original packaging. For service, support or guarantee assistance in this circumstance, you are advised to contact the manufacturer of the relevant third-party hardware or software supplier directly (and not Square).

To contact Square in the Republic of Ireland, please visit square.com/go/ie/help or call 1800 904 878 to be connected to customer support. The limited guarantee applies exclusively to residents of the Republic of Ireland and is issued by Square, whose registered office is located at 70 Sir John Rogerson’s Quay, Dublin 2, D02 R296, Ireland.

SPECIFIC PRECAUTIONS FOR EMC

- Square equipment is compliant with Class B of EN 55032 and is suitable in a residential or commercial environment.
- Square products are tested to the requirements of EN 55032 (emissions) and EN 55035 (immunity). There are no special precautions which must be taken in order to comply with the requirements of Directive 2014/30/EU (EMC Directive) essential requirements in Section 1 of Annex I.
- In addition, Square products are further tested to ensure spurious emissions are within the specified limits, as well as meeting the requirements for adaptivity, which mitigates against problems caused by co-location with other wireless products.
- This Square product is not subject to the requirements in Section 2 of Annex I of Directive 2014/30/EU for fixed installations.

POWER ADAPTER SAFETY

- Do not drop or cause an impact to the power adapter.
- If the power cable is damaged (for example, the cord is exposed or broken) or the plug loosens, stop using it immediately. Continued use may lead to electric shocks, short circuits or fire.
- Do not touch the power adapter with wet hands. Doing so may lead to malfunctions, short circuits or electric shocks.

ACCESSORY SAFETY

- Using an unapproved or incompatible power adapter or cord may cause fire, explosion or other hazards.
- Choose only accessories approved for use with this model by the device manufacturer. The use of any other types of accessories may void the warranty, may violate local laws and regulations and may be dangerous. Please contact your retailer for information on approved accessories.

SOFTWARE UPDATES

Software updates can be released by Square to fix bugs or enhance functions after the product has been released. Updated software versions released will not affect the continued compliance with the applicable rules. Radio frequency parameters are not accessible to the end user and can not be changed by the user.

DISPOSAL OF WASTE BATTERIES AND ELECTRICAL AND ELECTRONIC EQUIPMENT

This symbol on the product or its batteries or its packaging means that this product and its batteries must not be disposed of with your household waste. Instead it is your responsibility to hand this over to an applicable collection point for the recycling of batteries and electrical and electronic equipment.

The separate collection and recycling will help conserve natural resources and prevent potential negative consequences for human health and the environment due to the possible presence of hazardous substances in batteries and electrical and electronic equipment, which could be caused by inappropriate disposal.

Disposal regulations vary by region. Dispose of old batteries and equipment in compliance with your local regulations.

For more information on where to deliver your batteries and electrical and electronic waste, please contact your local city/ municipality office, your household waste disposal service or the shop where you purchased this product. For the nearest recycling collection point in the UK, please visit square.com/go/uk-recycling.

In Ireland, please visit square.com/go/ie-recycling.
