Dear Customer,

thank you for purchasing our Stagecaptain Crowd Control System PLS-150. To ensure you will be completely satisfied with this product, read and understand this manual carefully before use. Keep the manual in a safe place. The Operation Manual must be passed on to all subsequent users.

SAFETY INSTRUCTIONS

- Follow the Operating Manual!
- The signal word **WARNING** identifies hazards, which can result without precautions in serious injury.
- The signal word **NOTE** indicates general precautions, which should be observed in handling the product.
- Images used in this manual may differ slightly from the actual product, as long as it has no adverse effect on the properties and safety of the product.
- All personal formulations in these instructions are to be considered gender neutral.

These operating instructions apply to persons who have been supervised or instructed in the operation of the device by a person responsible for their safety and who have proven to be able to handle the device. Children should be supervised to ensure that they do not play with the Product. Do not leave the children unattended. All information contained in this Operating Manual is accurate to the best of our knowledge and belief. Neither the author nor the publisher, however, can be held liable for damages or losses that arise in connection with the use of this Operating Manual. Compliance with all applicable copyright laws is the responsibility of the user of this documented Purpose.

Box content

- 2 Poles,
- 2 base stands,
- 2 screws,
- 2 washer,

- 1 rope

Installation

Step 1: Take the parts out of the box. Use screws and washers and assemble the base-stands to the referring poles like shown on the pictures

Step 2: Take the rope and clasp the metal end with the carabiner hook (spring hook) to the round bracket of the pole.

Maintenance and usage

Your appliance does not require any particular maintenance. For cleaning its ideal to use a soft cloth. Do not use any solvents such as benzoyl or alcohol. This can damage the surface. Please note that the personal guidance system is not designed for permanent outdoor use in severe weather. Extreme weather conditions (e.g. rain or frost) can damage the surface and the cord and cause faster aging. After an outdoor use, ensure sufficient drying and proper cleaning of the components.
