## Mounting the Acoustic Partition

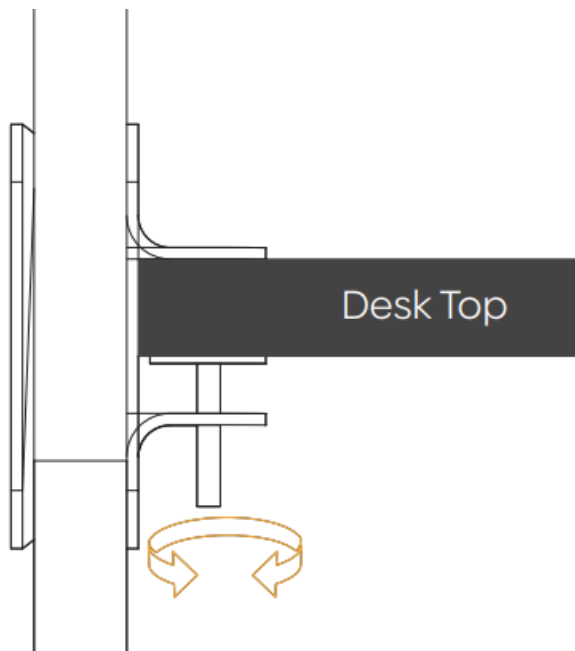

This instruction manual is suitable for all our desk mounted Acoustic Partitions

- Locate the mounting bracket provided with the Acoustic Partition.
- Loosen the machine screw on the mounting bracket.

- Insert the bracket through the partition as shown in the diagram.
- Slide the bracket over the desktop where you want to mount the partition.
- Tighten the machine screw to secure the partition in place.

## FAQs

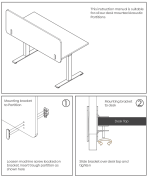

**Q: Can I adjust the height of the Acoustic Partition after mounting?**

A: The height of the Acoustic Partition is adjustable during installation by sliding the bracket up or down on the desktop. Once tightened, it is recommended not to adjust frequently.

**Q: Is the Acoustic Partition easy to clean?**

A: Yes, the Acoustic Partition can be easily cleaned using a damp cloth and mild detergent. Avoid using harsh chemicals that may damage the surface.
