Requirements

- USB-C Enabled Host Device x 1
- CFexpress Type B Card x 1

Package Contents

- CFexpress Card Reader x 1
- Quick-Start Guide x 1

Installation

WARNING! When removing media cards connected to Card Reader, it is required to remove/eject the device from within the operating system. Failure to remove storage devices properly can result in lost data, or permanent damage to the Memory Card or Card Reader.

Installing the CFexpress Card Reader
Note: This adapter supports CFexpress Type B cards only. If you are unsure if your memory card is a CFexpress Type B card, please contact the card manufacturer for more information.

1. Insert a CFexpress Card into the compatible CFexpress Card Slot.
2. Connect the USB-C Host Connection to an available USB-C Port on the Host Computer.

3. The operating system will detect the CFexpress Card Reader and automatically install the correct Drivers.

Remove a CFexpress Card

1. To prevent any potential data corruption or damage to the card, ensure the device has been removed/ejected from within the operating system.
2. While holding the CFexpress Card Reader with one hand, gently push the CFexpress Card into the slot. Once the eject mechanism is engaged, release the CFexpress Card. The mechanism will push the Card partially out of the slot, making it easier to remove.

   Note: Avoid using excessive force, as this may damage the card or the card reader.
3. Gently grasp the CFexpress Card firmly with the other hand and gently pull it out of the slot.

Regulatory Compliance

FCC – Part 15
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.
This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by StarTech.com could void the user's authority to operate the equipment.

Industry Canada Statement
This Class B digital apparatus complies with Canadian ICES-003.
Cet appareil numérique de la classe [B] est conforme à la norme NMB-003 du Canada.
CAN ICES-3 (B)/NMB-3(B)
This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:
(1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device.
Warranty Information

This product is backed by a two-year warranty.
For further information on product warranty terms and conditions, please refer to **www.startech.com/warranty**.
Limitation of Liability
In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement

may not apply to you.
