StarTech com PM1115P3 Ethernet to Parallel Network Print Server

Product Information

Specifications:

- **Product Name:** 10/100Mbps Ethernet to Parallel Network Print Server
- **Model:** PM1115P3
- **Function:** Network Print Server
- **Speed:** 10/100Mbps Ethernet
- **Default IP Address:** 192.168.0.10
- **Subnet Mask:** 255.255.255.0

Product Usage Instructions

Hardware Installation:

1. Turn off the Parallel Printer.
2. Connect the Print Server to a Parallel Printer using a Centronics 36-pin Parallel Printer Cable or directly to the printer.
3. Turn on the Parallel Printer.
4. Connect an RJ45 Ethernet cable between the Print Server and a Network Switch or Router.
5. **Note:** Configure the Print Server using a Host Computer on the same Network and IP Address Range as the default IP Address.
6. Plug the Power Adapter into the DC Power Port on the Print Server.
7. Wait for the Status LED to stop flashing.

Note:

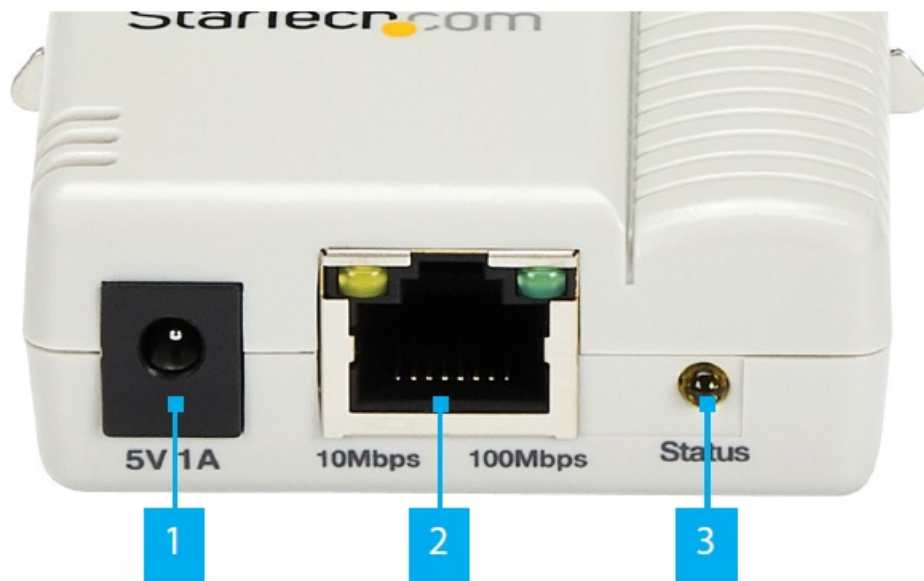

For full configuration options, refer to the online manual at www.StarTech.com/PM1115P3.

Requirements

For the latest manuals, product information, technical specifications, and declarations of conformance, please visit www.StarTech.com/PM1115P3.

Package Contents

- Parallel Print Server x 1
- Power Adapter x 1
- Quick-Start Guide x 1

Default Network Settings

- DHCP client:** Off
- IP Address:** 192.168.0.10
- Subnet Mask:** 255.255.255.0

Hardware Installation

- Turn Off the Parallel Printer.
- Connect the Print Server to a Parallel Printer with an appropriate Centronics 36-pin Parallel Printer Cable or directly to the Parallel Printer.

3. Turn On the Parallel Printer.
4. Connect an RJ45 Ethernet cable between the Print Server and a Network Switch or Router.
 - **Note:** To configure the Print Server, the Host Computer must be on the same Network and IP Address Range as the Print Server's default IP Address.
 - For additional configuration of the Print Server consult the full manual online at www.StarTech.com/PM1115P3
5. Plug the Power Adapter into the DC Power Port on the Print Server.
6. Wait until the Status LED has stopped flashing.

FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, under part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used by the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the device. Where shielded interface cables have been provided with the product or specified additional components or accessories elsewhere defined to be used with the installation of the product, they must be used to ensure compliance with FCC regulations.

Industry Canada (IC) Statement

This Class B digital apparatus complies with Canadian ICES-003.

CAN ICES-3 (B)/NMB-3(B)

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

1. This device may not cause interference, and
2. This device must accept any interference, including interference that may cause undesired operation of the device.

CE EMC/EMI

[StarTech.com](http://www.StarTech.com) hereby declares that this device complies with the Electromagnetic Compatibility Directive (EMC). A copy of the EU Declaration of Conformity is available at: www.startech.com/PM1115P3 under the Product Support tab.

EU CE RoHS Environmental

- [StarTech.com](http://www.StarTech.com) hereby declares that this product complies with the Restriction of Hazardous Substances (RoHS) directive of the European Parliament and the Commission Delegated Directive (EU).

- A copy of the EU Declaration of Conformity is available at: www.startech.com/PM1115P3 under the Product Support tab.

EU REACH Declaration

This product complies with the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) Regulation (EC) of the European Parliament and the Council. The product does not contain any of the Substances of Very High Concern (SVHC) or Restricted Substances above the threshold values declared by the European Agency for Chemicals (ECHA) on their website's documented/maintained lists.

WEEE

[StarTech.com](http://www.startech.com) products must not be disposed of together with domestic waste. [StarTech.com](http://www.startech.com) products must be disposed of at an authorized location for recycling electrical and electronic appliances. By collecting and recycling waste, you help save natural resources and ensure that the product is disposed of in an environmentally friendly and healthy way.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may refer to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to [StarTech.com](http://www.startech.com). Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by [StarTech.com](http://www.startech.com), or an endorsement of the product(s) to which this manual applies by the third-party company in question. [StarTech.com](http://www.startech.com) hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Warranty Information

- This product is backed by a two-year warranty.
- For further information on product warranty terms and conditions, please refer to www.startech.com/warranty.

Limitation of Liability

In no event shall the liability of [StarTech.com](http://www.startech.com) Ltd. and [StarTech.com](http://www.startech.com) USA LLP (or their officers, directors, employees, or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.

FAQs

To view manuals, FAQs, videos, drivers, downloads, technical drawings, and more, visit www.startech.com/support.

• Q: How do I reset the Print Server?

A: Press and hold the Reset Button for 10 seconds using a fine object, then release.

• Q: Where can I find the latest manuals and technical information?

A: Visit www.StarTech.com/PM1115P3 for the latest manuals, technical specifications, and more.
