## StarTech MSTDP123DP 3 Port Multi Monitor

## Product Information

Product Name:  
MSTDP123DP  
actual product may vary from photos

## Product Overview:

The MSTDP123DP is a DisplayPort Multi-Stream Transport (MST) Hub that allows you to connect up to three DisplayPort monitors or display devices to a single DisplayPort connector on your computer system or video card.

## Front View:

- SCAN button
- Integrated DisplayPort Cable
- DP #1
- DP #2

- DP #3

### **Packaging Contents:**

- MSTDP123DP MST Hub

### **System Requirements:**

- Computer system with a DisplayPort connector
- DisplayPort monitors or display devices

### **Product Usage Instructions**

#### **Important Operation Notes:**

Please ensure that your computer system and DisplayPort displays are powered off before proceeding with the installation.

#### **Installation:**

1. Ensure your computer system and DisplayPort displays are powered off.
2. Connect the integrated DisplayPort cable into the DisplayPort connector on the host computer system/video card.
3. Connect the DisplayPort monitor/display device(s) into the DisplayPort #1/#2/#3 connectors on the MSTDP123DP MST Hub.
4. Power on the monitor/display device(s).
5. Turn on the computer system.
6. The system will now detect the MST Hub and add the attached displays to the Display Settings of the System.

A window will appear displaying the attached displays.

#### **Adjusting Display Settings:**

1. To determine the number corresponding to each connected display, click the Identify button under Change the appearance of your displays.
2. To adjust the resolution, click on the number that corresponds to the monitor you wish to adjust and select the drop-down menu next to Resolution:.
3. To choose whether the monitor will duplicate or extend your main monitor, select the number that corresponds to the monitor you wish to adjust and select the drop-down menu next to Multiple Displays:.. "Extend these displays" will extend your main monitor onto the selected monitor, while "Duplicate these Displays" will show the same image as your main monitor on the selected monitor.

### **Specifications**

- Video Signal: DisplayPort

- Number of Ports: 3
- External Connectors: 1x DisplayPort Male, 3x DP Female
- Maximum Display Resolution: 4K at 30 Hz
