StarTech ST4300PBU3 SuperSpeed USB 3.0 Portable Hub Instruction Manual

Contents

StarTech ST4300PBU3 SuperSpeed USB 3.0 Portable Hub

Packaging Contents

- 1 x 4 Port USB 3.0 Hub
- 1 x Instruction Manual

System Requirements

- USB-enabled computer system with an available USB port

Installation

1. Connect the attached USB cable from the USB hub to the host computer system
   NOTE: If connected to a USB 2.0 host port, the hub will only operate at USB 2.0 speeds.
2. The operating system should detect the hub immediately and automatically install it
3. Once installation is complete, USB 1.x/2.0/3.0 devices should be able to be connected to the hub and recognized

Specifications

Colour	Black
Enclosure Type	Plastic
I/O Interface	USB 3.0
Connectors	4x USB 3.0 type A female 1x USB 3.0 type A male
Maximum Data Transfer Rate	5 Gbps
LED Indicators	1 – Power
Dimensions (LxWxH)	137 x 30 x 22mm
Weight	80g
Cable Length	254mm
Operating Temperature	-5°C to 45°C (23°F to 113°F)
Storage Temperature	-10°C to 75°C (14°F to 167°F)
Humidity	20~80% RH

FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, under part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment 1generates uses and can radiate radio frequency energy and, if not installed and used by the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols
This manual may refer to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to **StarTech.com**. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by **StarTech.com**, or an endorsement of the product(s) to which this manual applies by the third-party company in question. Regardless of any direct acknowledgement elsewhere in the body of this document, **StarTech.com** hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Warranty Information

This product is backed by a two-year warranty. In addition, **StarTech.com** warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labour costs only. **StarTech.com** does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of Liability

In no event shall the liability of **StarTech.com** Ltd. and **StarTech.com** USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.

FAQs

What is the StarTech ST4300PBU3 USB 3.0 Portable Hub?

The StarTech ST4300PBU3 is a portable USB 3.0 hub designed to expand the number of USB ports available on your computer or laptop, allowing you to connect multiple USB devices simultaneously.

How many USB ports does the hub have?

The ST4300PBU3 USB hub features four USB 3.0 ports, providing high-speed data transfer and backward compatibility with USB 2.0 and USB 1.1 devices.

What is the advantage of USB 3.0 over USB 2.0?

USB 3.0 offers significantly faster data transfer speeds compared to USB 2.0. It has a maximum data rate of 5 Gbps (gigabits per second), making it ideal for connecting high-bandwidth devices like external hard drives and SSDs.

Is the hub bus-powered or does it require an external power source?

The ST4300PBU3 is bus-powered, meaning it draws power from the host computer through the USB connection. No external power source is required for typical usage.

Is the hub compatible with Mac and Windows computers?

Yes, the StarTech ST4300PBU3 USB hub is compatible with both Mac and Windows computers. It supports a wide range of operating systems for maximum versatility.

Can I connect multiple external hard drives or SSDs to this hub?

Yes, you can connect multiple external hard drives or SSDs to the hub, provided that they are compatible with USB 3.0. The hub's high-speed ports make it suitable for data-intensive tasks.

Does the hub support charging for smartphones and tablets?

Yes, the hub can charge smartphones and tablets that are compatible with USB charging. Simply connect your device to one of the hub's USB ports for charging.

Is this hub suitable for travel or on-the-go use?

Yes, the ST4300PBU3 is designed for portability. Its compact size and bus-powered operation make it convenient for travel or use in various locations.

What is the cable length provided with the hub?

The hub comes with a detachable USB 3.0 cable with a length of approximately 30 cm (1 foot), allowing you to position the hub conveniently.

Does the hub feature LED indicators for port status?

Yes, the ST4300PBU3 includes LED status indicators for each port, helping you monitor the connection and activity of your devices.

Can I use this hub to connect peripherals like keyboards, mice, and printers?

Absolutely. The hub is suitable for connecting a wide range of USB peripherals, including keyboards, mice, printers, and more.

Is there a warranty provided with the StarTech ST4300PBU3 USB hub?

The StarTech ST4300PBU3 USB 3.0 Portable Hub typically comes with a warranty of 2 years from the date of purchase.
