- Quick-Start Guide x 1

USBC2HD4

- USB-C to HDMI Adapter x 1
- Quick-Start Guide x 1

Driver Installation
Installation is automatic for Windows 10 in most situations. If the drivers do not autoinstall, contact your IT administrator or department to allow the driver installation. Visit **www.startech.com/USB32HD4** or

www.startech.com/USBC2HD4 to locate the latest drivers.

Note: This USB video adapter uses a Trigger family chipset. If you're connecting this device to a computer along with additional USB video adapters or docking stations, avoid using devices with different family chipsets, such as DisplayLink® or Fresco Logic

Note: ®Operating system requirements are subject to change. For the latest requirements, please visit www.StarTech.com/USB32HD4 or www.StarTech.com/USBC2HD4

Installation

Connect a Host
USB32HD4

- Connect the USB-A Host Connector of the USB-A to HDMI Adapter to a USB-A Port on a USB-A Enabled Host Computer.

USBC2HD4

- Connect the USB-C Host Connector of the USB-C to HDMI Adapter to a USB-C Port on a USB-C Enabled Host Computer.

Connect the Display Devices

- Connect an HDMI Enabled Display Device to the HDMI port of the USB to 4 X HDMI Display Adapter using an HDMI Cable.
- (Optional) Repeat to connect up to 4 x extended or mirrored HDMI Enabled Display Devices.

Arrange Display Devices

- Arrange connected Display Devices using Windows Display Settings on the Host Computer.

FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by StarTech.com could void

the user's authority to operate the equipment.

Industry Canada Statement

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe [B] est conforme à la norme NMB-003 du Canada.

CAN ICES-3 (B)/NMB-3(B)

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

1. This device may not cause interference, and

2. This device must accept any interference, including interference that may cause undesired operation of the device.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Warranty Information

This product is backed by a three-year warranty.

For further information on product warranty terms and conditions, please refer to **www.startech.com/warranty**.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees, or agents)

for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceeds the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.

Safety Measures

- Cables (including power and charging cables) should be placed and routed to avoid creating electric, tripping, or safety hazards.
