Please keep this instruction manual for future reference. If you require any help or assistance please contact help@abptech.co.uk or visit stealthgaming.net/support

WARRANTY

This product is guaranteed for a period of one year from the date of purchase. During this period if there is a defect due to faulty materials, or workmanship the retailer from whom you purchased it will replace it with the same or a similar model on production of your purchase receipt or proof of purchase. This guarantee does not cover defects arising from accidental damage, misuse or wear and tear, and is available only to the original purchaser of the product. This does not affect your statutory rights.

IMPORTANT SAFEGUARDS & PRECAUTIONS

- Children should always be supervised when using this product
- This unit is for indoor use only, do not expose to dust, direct sunlight, wet weather conditions, high humidity, high temperatures or mechanical shock
- Do not expose to splashing, dripping, rain or moisture. Do not immerse in liquid
- Do not position the cable where it would be subjected to extreme heat or flames
- Keep the cable away from oil or sharp objects
- Avoid any unnecessary strain of the cable
- Do not use the USB cable with any other attachment, unit or equipment other than your console and controllers
- Do not disassemble; there are no serviceable parts inside
- For external cleaning, use a soft, clean, damp cloth only. Use of detergents may damage the cabinet finish and leak inside

RECYCLING

Where you see this symbol on any of our electrical products, batteries or packaging, it indicates that the relevant electrical product or battery should not be disposed of as general household waste in the EU or Turkey. To ensure the correct waste treatment of the product and battery, please dispose of them in accordance with any applicable local laws or requirements for disposal of electrical equipment/batteries. In so doing, you will help to conserve natural resources and improve standards of environmental protection in treatment and disposal of electrical waste. The recycling and processing of Waste Electrical and Electronic Equipment will make a significant contribution towards helping protect the environment by reducing landfill waste.
