## Legal information

Please keep this instruction manual for future reference. If you require any help or assistance please contact the Helpline or VISIT [STEALTHGAMING.NET/SUPPORT](https://stealthgaming.net/support)

## Warranty

This product is guaranteed for a period of one year from the date of purchase. During this period if there is a defect due to faulty materials, or workmanship the retailer from whom you purchased it will replace it with the same or a similar model on production of your purchase receipt or proof of purchase. This guarantee does not cover defects arising from accidental damage, misuse or wear and tear, and is available only to the original purchaser of the product. This does not affect your statutory rights.

## Precautions

- Ensure that the volume control is set to the minimum level before connecting the headset to your system
- Before wearing the headset, set the volume control to its minimum level then slowly increase until you reach your desired volume level
- Listening to your headset at its maximum level may cause damage to both the headset and your ears
- Long term exposure to loud music or other sounds in a headset may cause hearing damage. It is best to avoid very high volume levels when using a headset, especially for extended periods

## Important Safeguards & Precautions

- Never expose to direct sunlight or wet weather conditions
- Do not expose the unit to splashing, dripping, rain or moisture. Do not immerse in liquid
- Do not expose to dust, high humidity, high temperatures or mechanical shock
- Avoid any unnecessary strain of the cable being tugged
- Do not disassemble; there are no serviceable parts inside
- For external cleaning, use a soft, clean, damp cloth only. Use of detergents may damage the cabinet finish and leak inside

Where you see this symbol on any of our electrical products, batteries or packaging, it indicates that the relevant electrical product or battery should not be disposed of as general household waste in the EU or Turkey. To ensure the correct waste treatment of the product and battery, please dispose of them in accordance with any applicable local laws or requirements for disposal of electrical equipment/batteries. In so doing, you will help to conserve natural resources and improve standards of environmental protection in treatment and disposal of electrical waste.
