WARRANTY

This product is guaranteed for a period of one year from the date of purchase. During this period if there is a defect due to faulty materials, or workmanship the retailer from whom you purchased it will replace it with the same or a similar model on production of your purchase receipt or proof of purchase. This guarantee does not cover defects arising from accidental damage, misuse or wear and tear, and is available only to the original purchaser of the product. This does not affect your statutory rights.

INSTALLATION AND USE – CHARGING DOCK (CHARGE TO PLAY)

1. Using the USB Premium Braided Play & Charge Cable, insert the smaller end into the USB C slot on the back of the Charging Dock and the other end into a free USB port on your console

2. Position your controller onto the charging dock using the USB C on your DualSense™ wireless controller to begin charging (**SEE IMAGES OVERLEAF**)
3. Switch on your console

CHARGING LED INDICATORS

The LED indicators will show the current state of charging for your DualSense™ wireless controller as follows:

SOLID RED LED – CHARGING

SOLID BLUE LED – FULLY CHARGED / POWER ON

NOTE: Once your controller is fully charged remove them from the Charging Dock.

INSTALLATION AND USE – PREMIUM BRAIDED PLAY & CHARGE CABLE (PLAY & CHARGE)

if you have forgotten to charge your controllers on the Charging Dock, an alternative charging solution can be to use the Premium Braided Play & Charge Cable for instant Play & Charge. Follow the steps below:

1. Using the USB Premium Braided Play & Charge Cable, insert the smaller end into the USB C slot on your DualSense™ wireless controller and the other end into a free USB port on your console
2. Switch on your console. Your DualSense™ wireless controller will now begin charging

NOTE: Refer to your PlayStation®5 system and DualSense™ wireless controller instruction manuals for further information on charging times.
