SteelSeries 4240561 Nimbus Wireless Controller User Manual

COMPATIBILITY

Requires iPhone, iPad, or iPod touch with iOS 7.0 or later, Mac with OS X 10.9 or later, or Apple TV with tvOS 9.0 or later.

- iPhone® 6s, iPhone® 6s Plus, iPhone® 6, iPhone® 6 Plus, iPhone® 5c, iPhone® 5s, iPhone® 5 or later.
- iPad® Pro, iPad® Air 2, iPad® Air, iPad® Mini 4, iPad® Mini 3, iPad® Mini 2, iPad® 4th generation or later.
- iPod® touch 5th generation, iPad® touch 6th generation or later.
- Apple TV (4th generation) or later.

Installation

Turn on your Nimbus by sliding the lock switch located on the top of the Nimbus into the unlocked position.

All four LEDs will flash slowly to indicate that your Nimbus is now in pairing mode. Otherwise, press and hold the pairing button  for 3 seconds. To pair your Nimbus to your iOS device, use the Settings > Bluetooth menu. “Nimbus” will be displayed on the screen. Press to connect the device.

RECONNECTING TO AN EXISTING DEVICE

During the connection sequence, LEDs 1 to 4 will turn on and off successively. The Nimbus controller will automatically reconnect to the last paired device when powered on. If you want to connect to a previously paired device, simply select the Nimbus controller in the Bluetooth menu of the relevant Apple device.

PAIRING TO A NEW DEVICE

Press the pairing button  for 3 seconds. The four LEDs will illuminate and then turn off to indicate that your Nimbus is in pairing mode.

POWER ON/OFF: To disable the controller, slide the lock switch on top of the Nimbus controller in position The orange dot indicating  that the switch is in the locked position should be visible. If left in the unlocked position, the controller will automatically deactivate after 15 minutes of inactivity. To reactivate the Nimbus controller after an automatic power off, simply hold the MENU button pressed.

BATTERY STATUS INDICATOR

When the Nimbus Controller battery charge is low (approximately 20 minutes remaining), LED 1 flash quickly for 10 seconds. . Please download the SteelSeries Nimbus companion app from the iTunes store. Please see www.steelseries.com/nimbus/faq for more detailed information on this product.

FCC STATEMENT

FEDERAL COMMUNICATION COMMISSION INTERFERENCE STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, under Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used by the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

INDUSTRY CANADA STATEMENT

This device complies with RSS-210 of the Industry Canada Rules. Operation is subject to the following two conditions: (1) the device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

SteelSeries WARRANTY

Europe and Asia: 2 year warranty

North America: 1-year warranty

SINGAPORE WIRELESS CERTIFICATION

iPad, iPhone, and iPod touch are trademarks of Apple Inc., registered in the U.S. And other countries. IOS is a trademark or registered trademark of Cisco in the U.S. and other countries and is used under license. Bluetooth is a registered trademark of Bluetooth SIG, Inc. "Made for iPod," "Made for iPhone," and "Made for iPad" mean that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod, iPhone, or iPad may affect wireless performance.
