PRODUCT OVERVIEW

- 1 8-way D-pad
- 2 Options Button
- 3 Player Indicator LEDs
- 4 Menu Button
- 5 A, B, X, Y Buttons
- 6 Home Button
- 7 Analog Joysticks
- 8 Phone Holder Receptacles

- 9 Wireless Pairing Button ∞
- 10 Lightning Charge Port
- 11 Battery Level Button 🔋
- 12 R1/L1 Shoulder Buttons
- 13 R2/L2 Analog Triggers

SETUP

INITIALIZATION

1. Turn on your Nimbus+ by pressing and holding the Home Button **6**.
2. All four LEDs **3** will fade on and off slowly to indicate your Nimbus+ is in pairing mode. If not, hold the Wireless Pairing Button **9** for 3 seconds.
3. To pair your Nimbus+ to your iOS device, go to Settings → Bluetooth. "Nimbus+" will be displayed on the screen. Tap to Connect.

PAIRING TO A NEW DEVICE

1. Press the Wireless Pairing Button **9** for 3 seconds.
2. All four LEDs **3** will fade on and off slowly to indicate that your Nimbus+ is in pairing mode.

RECONNECTING TO AN EXISTING DEVICE

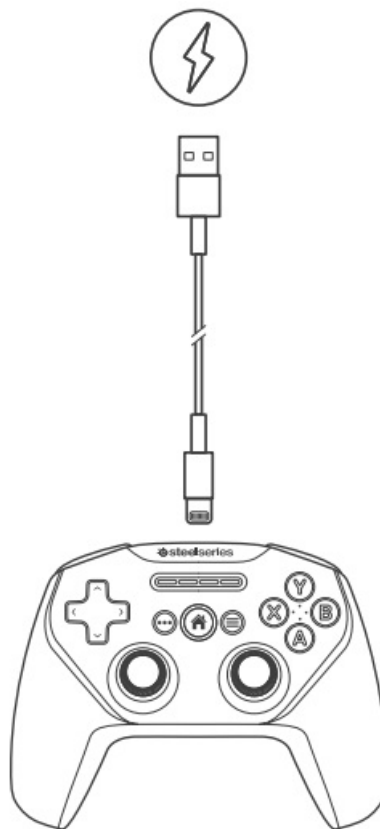

1. Turn on your Nimbus+ by pressing and holding the Home Button **6**.
2. During the connecting sequence, the LEDs **3** will fade on and off, cycling from 1 to 4. The Nimbus+ will automatically reconnect to the most recent device when powered on.

If you want to connect to a previously paired device, simply select the Nimbus+ from the Bluetooth menu on the Apple device.

POWER

CHARGING

To charge your Nimbus+ plug an Apple Lightning Cable (not included) into the Lightning Charge Port **10** and connect it to a power source.

BATTERY INDICATION

On power on, your current battery level will be displayed across the four player indicator LEDs **3** for three seconds.

To manually show the battery level, press the Battery Level Button **11** at any time to view your current Battery level on the four player indicator LEDs **3**.

When the Nimbus+ battery charge gets low (~20 minutes remaining), LED 1 will flash quickly for 10 seconds.

POWERING ON/OFF

To turn the controller on or off press and hold the Home Button .

The controller will turn itself off after 15 minutes of inactivity.

REGULATORY

Europe – EU Declaration of Conformity

Hereby, SteelSeries ApS. declares that the equipment which is compliance with directive RoHS 2.0 (2015/863/EU), R.E.D (2014/53/EU), EMC Directive (2014/30/EU), and LVD (2014/35/EU) which are issued by the Commission of the European Community.

2. Please keep this battery pack away from fire and high heat sources due to explosion might happen. Do not place your battery pack close to any heater or hot location.
3. This battery pack shall not be hit or impacted. This battery pack shall not be dealt with any sharp or keen objects either.
4. This battery pack shall not be exposed to moisture, dripping or splashing.
5. If any electrolyte flow out of this battery pack when touch the user’s eyes and skin, please seek medical advice immediately.

Federal Communication Commission Interference Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate this equipment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Note: The country code selection is for non-US model only and is not available to all US model. Per FCC regulation, all WiFi product marketed in US must fixed to US operation channels only

Gaming Controller FCC ID: ZHK-GC00007

Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement, the device can be used in portable exposure condition without restriction.

Industry Canada Statement

This device complies with RSS standards of the Industry Canada Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

Radiation Exposure Statement:

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment.

Frequency bands and Powers (Controller and Transceiver)

- a. Frequency band(s) in which the radio equipment operates: 2.400 – 2.4835 GHz
- b. Maximum radio-frequency power transmitted in the frequency band(s) in which the radio equipment operates:
 - Bluetooth Conducted Peak Power :2.02dBm (Gaming Controller)
- c. Software Version: V0.21.0

SteelSeries Products and Australian Consumer Law

Our goods come with guarantees that cannot be excluded under Australian consumer law. You are entitled to a repair, replacement, or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Should your product be defective, you can make a claim under Australian consumer law.

SteelSeries will provide its own remedies equivalent to those remedies in the consumer guarantee provisions of the Australian Consumer Law at any time within 24 months of the date of purchase. For the avoidance of doubt, SteelSeries acknowledges that the Australian Consumer Law may provide for remedies beyond 24 months for a number of its products.

Summary of Australian statutory consumer guarantees

Consumer guarantees in relation to goods

The goods will be of acceptable quality, The goods will be fit for a particular purpose, The goods will match their description, The goods will match the sample or demonstration model, You have title to the goods, You have undisturbed possession of the goods, There are no undisclosed securities on the goods.

Consumer guarantees in relation to services

We will provide the services with due care and skill, The services will be fit for a particular purpose, The services will be provided within a reasonable time.

For SteelSeries-branded goods, in addition to the above, we also guarantee that we will provide repairs or spare parts for a reasonable time. Under Australian consumer law, the remedy you are entitled to if a product fails to meet a consumer guarantee will depend on whether the failure to comply with the guarantee is major or minor. Minor failures to comply with a consumer guarantee can normally be fixed or resolved in a reasonable amount of time. In this case, the seller can choose to offer you a refund, replacement, repair or, in the case of services, resupply. If the seller does not fix the problem or takes too long, you may be able to get it fixed by someone else and recover the costs from the seller depending on the circumstances.

Remedies for major failure with goods

Return the product and ask for a refund, Return the product and ask for an identical replacement, or one of similar value if reasonably available, Keep the product and ask for compensation for the drop in value caused by the problem.

Remedies for major failure with services

Cancel the contract and pay a reasonable amount for the work done, or seek a refund, For money already paid, keep the contract and negotiate a reduced price for the drop in value of the service — this may mean asking for some of your money back if you have already paid.

For goods, there is a major failure to comply with a consumer guarantee when:

- You would not have purchased the product if you had known about the problem.
- The product is significantly different from the description, sample or demonstration model you were shown.
- The product is substantially unfit for its normal purpose and cannot easily be made fit within a reasonable time.
- The product is substantially unfit for a purpose that you told the supplier about, and cannot easily be made fit within a reasonable time.
- The product is unsafe.
- For services, there is a major failure to comply with a consumer guarantee when:
 - You would not have engaged the service if you had known the nature and extent of the problem.
 - The service does not meet the reasonable expectations for that type of service, and the problem cannot be rectified within a reasonable time.
 - You told the supplier that you wanted the service for a specific purpose, which was not fulfilled, and the problem could not be easily rectified within a reasonable time.
 - You told the supplier that you wanted a specific result, yet the service and end result failed to meet your specifications and could not be easily rectified within a reasonable time.
- The supply of the service has created an unsafe situation
