Stem Audio 1571330 Ceiling Quickstart Guide

Connect your Ceiling

Plug-in your Ceiling unit and connect it to the network

Find your unit

Identify the Ceiling unit you want on the network & select it via the Stem ecosystem platform

Name your unit

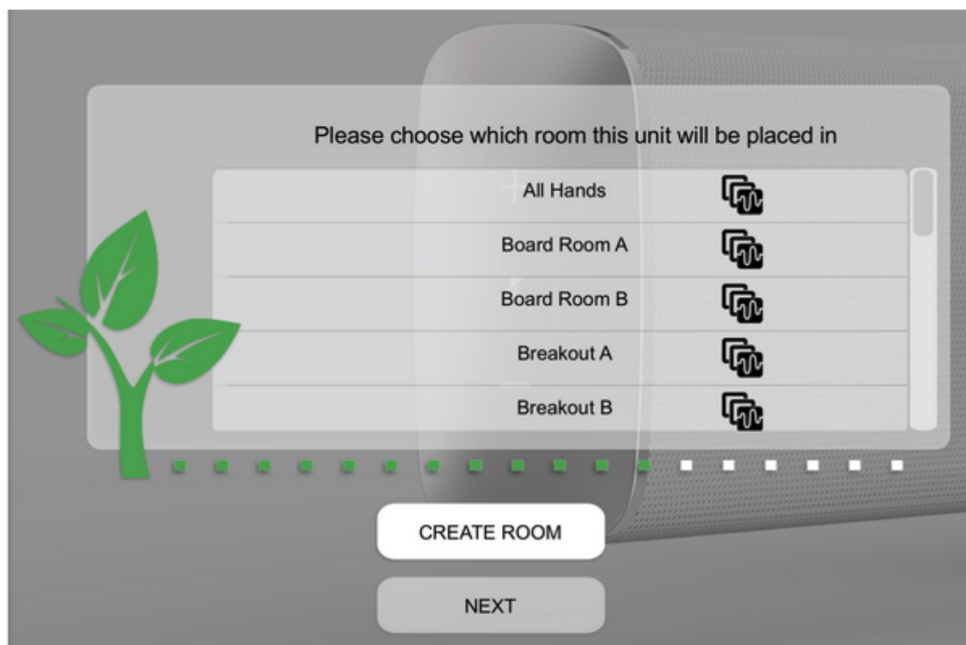

Give your Ceiling unit a name

(Ex. Medium Conference Room -Ceiling 1)

A screenshot of a software interface for naming a device. It has a grey background with a subtle grid pattern. The text "Please name your unit" is at the top. Below it, "Typical name might relate to the location of the device" and "ex. Room 304, Table Unit A" are shown. A large white rounded rectangle contains the text "DEVICE NAME" in grey. At the bottom, there is a small horizontal line and a faint "7/2" indicator.

Give it a home

Create a new room or choose which room this unit will be placed in via the Stem ecosystem platform
