STREAMLIGHT Stylus Operating Instructions

Operating Stylus:

Push tail button for momentary operation. Rotate tailcap for steady ‘on.’

To replace battery:

Remove tailcap and expired batteries. Replace positive end first with AAAA batteries.

Maintenance:

Keep tailcap O-rings and threads lubricated with silicone grease.

Streamlight® “No Excuses Warranty”

Streamlight warrants this product to be free of defect for a lifetime of use. We will repair, replace or refund the purchase price, at our option, of any Streamlight product that does not work or that you manage to break for as long as you own it.

Of course, this **limited lifetime warranty** excludes abuse, batteries, bulbs and chargers. Rechargeable batteries and chargers have a one (1) year warranty with proof of purchase. Please return your Streamlight to our factory to take advantage of this guarantee. Go to www.streamlight.com for the location of an authorized Streamlight repair center near you.

Product Registration

To register your warranty go to www.streamlight.com (Online Warranty Registration) within ten (10) days of purchase. Retain your receipt or other proof of purchase.

Should your Streamlight fail to operate, contact the closest Authorized Service Center or the factory directly at (610) 631-0600 or (800) 523-7488.
