Requirement for User manual of the vehicle

FCC Requirement

In accordance with 15.21 of FCC rule, following statement will be included in the user manual of the vehicle.

FCC WARNING

Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

In accordance with requirement of FCC§15.19(a)(3), following statement will be included in the user manual of the vehicle.

NOTE

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

ISED Requirement

In accordance with requirement of RSS-GEN, following statement will be included in the user manual of the vehicle.

NOTE

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada’s licence-exempt RSS(s). Operation is subject to the following two conditions:

- 1. This device may not cause interference.
- 2. This device must accept any interference, including interference that may cause undesired operation of the device.
