FAQs

- **Q: Is the VPA 2 compatible with all Swarovski optical devices?**
    - **A:** The VPA 2 is compatible with a range of Swarovski optical devices. Refer to the user manual or contact customer service for specific compatibility information.
- **Q: Can I use the VPA 2 with any smartphone?**
    - **A:** The VPA 2 is designed to work with a variety of smartphones. However, it is recommended to check compatibility with your specific device before use.
- **Q: How do I clean the VPA 2 adapter?**
    - **A:** Use a soft, dry cloth to gently wipe the adapter. Avoid using harsh chemicals or abrasive materials that may damage the adapter's surface.
