Product Description

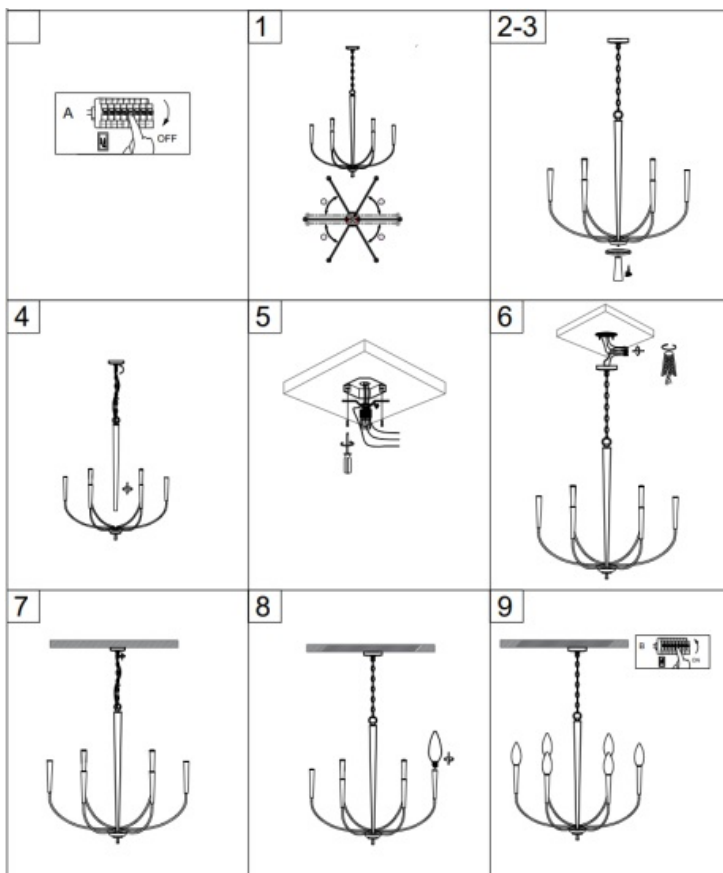

Turn Off The Power

1. Spread the arm to the left and right on the lamp body and adjust it to be evenly

distributed.

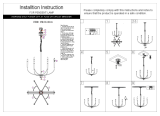

2. Put the cover on the part and tighten it.
3. Pass the power cord through the iron pipe, and then screw the iron pipe into the connector on the lamp body in sequence.
4. Install the movable buckle on the chain to the ring on the lamp body, and pass the wire through the chain, movable buckle, ceiling ring and ceiling plate.
5. Install the ceiling plate on the junction box (J-BOX) using the mounting screws.
6. Connect the lamp power cord to the mains using a wiring cap, and connect the lamp ground wire to the house ground wire using a wiring cap.
7. Secure the ceiling plate to the ceiling plate using the ceiling ring.
8. Install a rated wattage bulb (bulb not included).

Turn on the power

Please completely comply with this instructions and notes to ensure that the product is operated in a safe condition.
