Step

Step 1: Charge your Tracker

- Align the magnetic charging pins of the USB charging cable with the magnetic charging strip on the back of the Tracker. Ensure all magnetic charging pins make contact and sit flush against the charger.
- Connect the USB end to the power adaptor (included).
- Plug the adapter into an outlet to fully charge the Tracker.
- The LED indicator will be yellow when charging and solid green when fully charged.

Helpful tip: Fully charge your Tracker before use, until LED indicator displays solid green, approximately 2 hours.

Step 2: Download the app

- • Search for "SyncUP TRACKER" in the Apple App Store or Google Play Store. Or visit: **www.t-mobile.com/syncuptracker**
- • Open the SyncUP TRACKER app on your smartphone; log in to the app and follow the step by-step instructions to start using your Tracker.

Helpful tip: Verify your smartphone is up to date with the latest operating system and meets the minimum technical requirements.
