Syng 465-00065-04 Cell Alpha with Table Stand

Assembling Your Cell

Detailed instructions are in the accessory box Assembler votre Cell. Des instructions détaillées se trouvent dans la boîte d'accessoires

Connecting Your Cell

Power and USB-C ports are on the end of the stem for concealed connection through the stand. For quick access use the USB-C port on the side of the stem.

Volume Up
Monter le son

Volume Down
Baisser le son

Play / Pause
Jouer / Pause

Brancher le haut-parleur Cell

Les ports d'alimentation et USB-C sont au bout de la tige pour un raccord couvert à travers le support. Pour un accès immédiat, utiliser le port USB-C sur le côté de la tige.

Controlling Your Cell

Control your Cell with the Syng Space app, or use the Control Ring to play, pause, and adjust volume.

Commander le haut-parleur Cell avec l'appli Syng Space ou utiliser l'anneau de commande pour lancer la lecture, l'arrêter temporairement ou régler le volume.

Home Theatre

For details on how to optimize your listening experience, please visit syngspace.com/optimize.

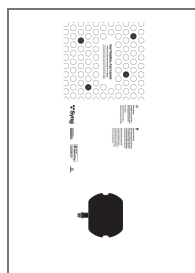

Caring For Your Cell

When needed, clean your Cell with a damp, clean microfiber cloth, and do not use abrasive cleaners. Take care not to touch the speaker elements. Do not set anything on top of your Cell.

We're here for you.
