CELL^{Alpha}

Syng Cell Alpha Immersive Speaker

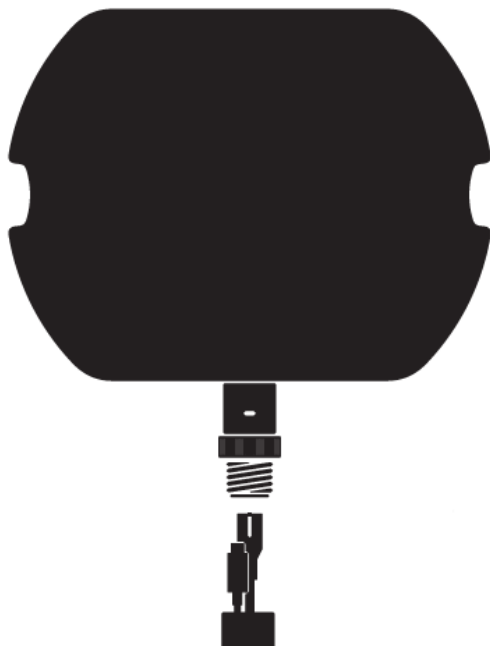

Assembling Your Cell

Detailed instructions are in the accessory box.

Assembler votre Cell. Des instructions detail lees se trouvent dans la boite d'accessoires.

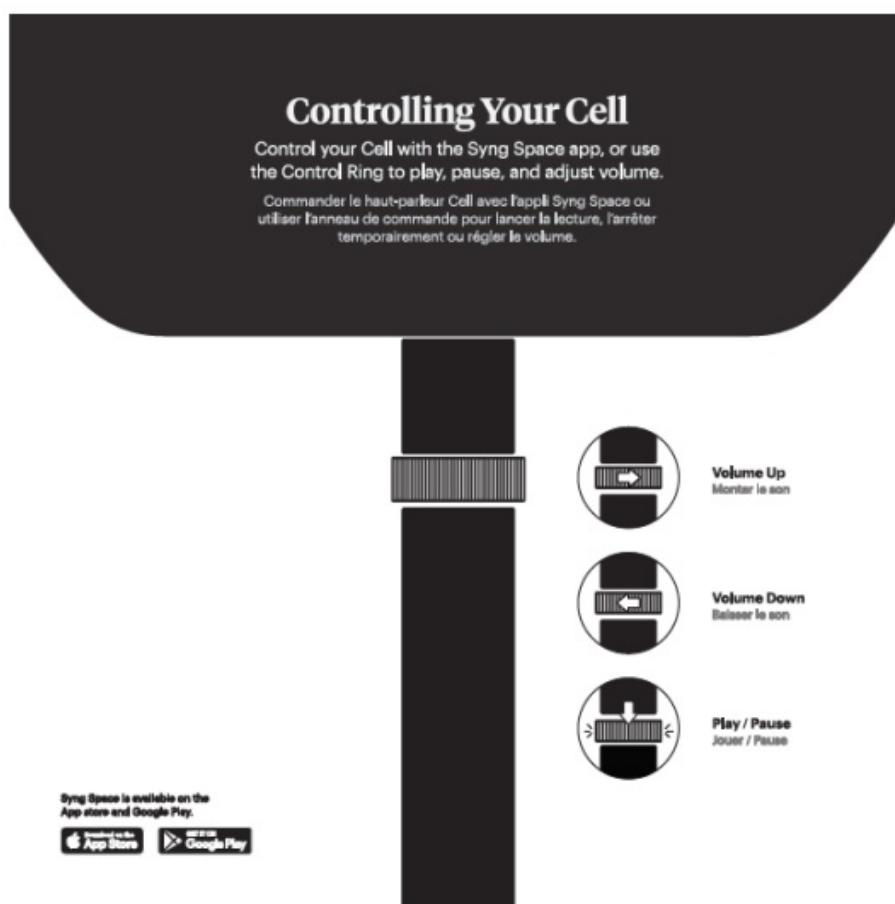

Connecting Your Cell

Power and USB-C ports are on the end of the stem for concealed connection through the stand. For quick access use the USB-C port on the side of the stem. Assembler votre Cell. Des instructions detail lees se trouvent dans la boite d'accessoires.

Brancher le haut-parleur Cell

Les ports d'alimentation et USB-C sont au bout de la tige pour un raccord couvert a travers le support. Pour un acces immediat, utiliser le port USB-C sur le cote de la tige.

Caring For Your Cell

When needed, clean your Cell with a damp, clean microfiber cloth, and do not use abrasive cleaners. Take care not to touch the speaker elements. Do not set anything on top of your Cell.

Entretien de votre haut-parleur Cell

S'il ya lieu de le faire, nettoyer votre haut-parleur Cell a l'aide d'un essuie en microfibres propre et humide sans aucun nettoyant abrasif. Eviter de toucher les elements du haut-parleur. Ne rien mettre sur le haut du haut-parleur Cell.

We're here for you.
