## **OUR THANKS**

Congratulations on your purchase and thank you for your trust and confidence in T'nB. Our products comply with the regulations and standards in force. Before using this device, we recommend that you read the instructions and safety guidelines carefully and keep this manual for future reference.

## **IMPORTANT SAFETY GUIDELINES**

- The power supply of your device must match the initially designed original specifications.
- Never use your device under water or in places that are too damp.
- Do not place flammable objects, explosive substances or dangerous objects near your device.
- Use and store your device in an environment where the temperature is between -10 °C and 60 °C.
- Keep your device out of the reach of children.
- Do not disassemble your device or try to repair it yourself.
- Do not use your device if it has been subjected to impact or is damaged.
- To avoid the risk of electrocution, unplug your device from the main power supply and from any device before cleaning it or if you are not using it.
- T'nB declines any liability in case of misuse of the product or use with a device with incompatible electrical characteristics.
- It is recommended to protect the battery when not in use to avoid damage from a fall.
- Do not use abrasives to clean the device.
- Do not leave the device near sharp objects that could scratch or damage it.

## **FUNCTIONS**

1. Turn your device on / off: Press the «play» button for 3 seconds.
2. Next track: press the «+» button
3. Previous track: press the «-» button
4. Increase the volume: Press and hold down the «+» button.
5. Decrease the volume: Press and hold down the «-» button.
6. Press the play button to answer a call.
7. Press and hold down the play button to decline a call.

## LED INDICATOR

When the headset is in Bluetooth search mode, the indicator flashes blue and red. Once it has connected to your smartphone or tablet, the light turns blue.

When the headset is charging, the LED indicator turns red and automatically turns off when the battery is fully charged.

## PAIRING

1. Press and hold the play button for three seconds to turn on your Color Headset. Bluetooth mode is enabled by default.
2. When the red/blue light flashes rapidly, the device is ready to pair.
3. From your smartphone/tablet select the «TNB COLOR» device.
4. Once the connection is made the LED indicator turns blue.
