Safety information

Note: Please read the following important safety information carefully before use.

1. Only authorized technicians can disassemble the product. It is not recommended that the user disassemble the product by himself.
2. Do not put this product near cigarette butts, lighters and other open flames.
3. This product is designed to prevent the splashing of liquid (water, etc.). In case of accidental splashing, it can protect the keyboard timely. However, it is not designed to be waterproof and cannot be placed in the place where there is water or any liquid.
4. If any liquid accidentally enters the product, please disconnect the computer immediately and remove the product. Continued use may cause fire or electric shock.

Instructions for Use

Computer System Requirements
Support Mac OS / IOS / Win 7/Win 8/Win 10/or higher.

Product name and content of harmful substances

In order to meet the relevant provisions and requirements of the "Administrative Measures for the Restricted Use of Hazardous Substances in Electrical and Electronic Products" (Decree No. 32 of the Ministry of Industry and Information Technology of the People's).The statement is as follows:

Product name and content of harmful substances

Part Name	Harmful Substance					
	Pb	Hg	Cd	Cr(VI)	PBB	PBDE
Circuit board assembly	X	O	O	O	O	O
Housing and Board Assembly	O	O	O	O	O	O

This form is compiled in accordance with the provisions of SJ/T11364.

O: Indicates that the content of the hazardous substance in all homogeneous materials of the part is below the limit requirement specified in GB/T 26572
X: Indicates that the content of the hazardous substance in at least one average material of the part exceeds the limit requirement specified in GB/T 26572.

The hazardous substances contained in this product are due to technical limitations at the current stage and no alternatives can be found. It meets the requirements of China's "Administrative Measures for the Restriction of the Use of Hazardous Substances in Electrical and Electronic Products" and falls within the scope of EU RoHS exemption. Special consideration has been made when designing products to ensure that the appearance of parts. Made of non-toxic and harmless environmentally friendly materials, consumers will not be exposed to harmful substances under normal use quality and will not cause harm to the human body

The "Environmentally Friendly Use Period" (EPuP) symbol will be printed on electrical and electronic products sold

within the territory of the People's Republic of China, and the numbers in the circle represent the normal environmental protection use period of the product.

Packing list

1. Wireless keyboard ×1
2. Instruction Manual × 1
3. USB-C Cable × 1
4. Mouse × 1
5. Mouse Pad × 1
6. Keycap Puller × 1

Basic parameters

Product Name	Wireless mechanical keyboard
Product number	BK6301
Current and voltage	5V 260mA
Key life	About 60 million times
Weight	880±10gp
Size	Approx. 375x130x36mm
Adaptive system	Mac OS/IOS/Win7/Win8/Win 10/or higher

Product Description

Combination key function

Fn combination key function description

FN+ESC (long press for 3 seconds) = restore default settings.

FN+F1=My Computer
FN+F2=Search
FN+F3 = calculator
FN+F4=Music player
FN+F5 = previous song
FN+F6 = next song

FN+F7=play/pause
FN+F8=Stop
FN+F9=mute
FN+F10 = Volume-
FN+F11=Volume+
FN+F12=Lock full key
FN+ ← =Speed down
FN+↑ =Brightness+
FN+→= Speed Add
FN+↓= brightness
FN+WIN = lock win+menu key
FN+INS= Light model switching

Bluetooth Mode:

1. Turn the switch on the back of the keyboard to the BT/2.4G position
2. Fn + Q / W / E: Long press 3 seconds to enter the code pairing mode while the indicator light flashing
3. Select the Bluetooth device "KB-6301BT" on the bluetooth device and press to connect. After successful pairing, the Bluetooth indicator light will be on for a long time, and if the connection is not successful within 30 seconds, it will enter hibernation.
4. **4G Mode:**
   1. Turn the switch on the back of the keyboard to the BT/2.4G position
   2. Plug the 2.4Ghz receiver into your PC/Laptop/Mac
   3. **Fn+R:** Long press 3 seconds to pair your device

Back light mode:
Press FN+HOME keys to switch the light mode.

Working mode:
Use a three-position switch to switch, one is wired mode, the middle is OFF, the other side of the wireless mode (including 3 Bluetooth devices, FN + Q Bluetooth device one / FN + W Bluetooth device two / FN + E Bluetooth device three and 2.4G FN + R).

Mechanical Gaming Keyboard
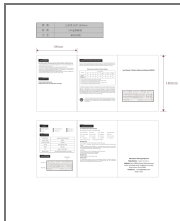

Manufacture: Taiahiro Brand Inc
Address: Room 2802, ZheShang Dasha Nancheng section, Nancheng Street, Dongguan City, Guang- dong Province China, 523000.
