Tamagotchi ON User Manual

Source: Tamagotchi ON User Manual [FCCID.io]
CAUTION!

- As the product is a wireless device using electronic waves please do not connect device to App when in hospitals or on aircrafts.
- Please do not use this product if you have a pacemaker as it contains electronic components, speakers, magnets, etc.
- Misuse of batteries could result in heating, rupture, combustion, or leakage.
- If you use rechargeable batteries please use only the appropriate nickel-hydrogen rechargeable batteries, and be sure to observe the recharger instructions regarding how to recharge.
- Stop use if the product or the battery becomes wet. This may cause a short-circuit.
- Do not place in water or fire, disassemble, or solder.
- Should liquid leaking from a battery come in contact with the eye, rinse immediately with a large amount of water and consult a physician. Should the liquid come in contact with the skin or clothing, wash with water.
- The batteries should be replaced by an adult.
- Keep battery away from children. Battery may be harmful if swallowed.
- Only use batteries of the same or equivalent type as indicated. Batteries must be inserted with the correct polarity. Do not short-circuit the supply terminals. Do not attempt to recharge non-rechargeable batteries. Rechargeable batteries must be charged under adult supervision. Do not mix alkaline, standard or rechargeable batteries, or different type of batteries. Do not mix new and used batteries. Remove batteries when not in use or discharge. Supervise children if they are replacing batteries themselves to ensure these guidelines are followed. Store unused batteries in their packaging and away from metal objects which can cause a short-circuit.

- The 2.4GHz frequency used for application transmission and photo taken at Tamagotchi photo spots is used in all sorts of devices (smartphones, tablets, wireless LAN and microwave oven etc.) and radio wave interference may make transmission difficult and possibly affect the working of other devices.

Inquiries about Tamagotchi On series products

Bandai Customer Support Center
2120 Park Place, Suite 120, El Segundo, California 90245
Open Monday – Friday 10:00am to 5:00pm (excluding national holidays, and summer and winter holidays)
Or send inquiry email to Customer Service on the bandai.com

Precaution for use

- No guarantees are provided regarding lost data.
- Do not place in water or operate with wet hands. This may cause the product to break. Avoid use or storage in high humidity.
- This product is composed of precise electronic parts. Do not drop, get wet, smell, or disassemble. Avoid use or storage in high or low temperatures.
- Battery life time will vary depending on the type of batteries used. Recommend to use alkaline batteries.
- By using brand new alkaline batteries, device can stay around 10 days with around 30 min. usage per day.
- May malfunction with other infrared remote controls such as those for TVs.
- May malfunction in settings such as by sunlight windows or directly under fluorescent light. Transmission is not possible under strong lighting such as sunlight.
- Press reset button in case of malfunction.
- Do not place stickers etc. over the connection component.
- The connection will not work if obstacles are between the connection components, preventing the detection of infrared rays.
- Do not move product while transmitting. Clock accuracy: 10 seconds per day.

DISCLAIMER

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. Shielded cables must be used with this unit to ensure compliance with the Class B FCC limits. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This device may cause radio or TV interference which may require the user to take corrective measures. (CAN ICES-3 (B)/NMB-3(B)). This device contains licence-exempt transmitter/receiver(s) that comply with Innovation, Science and Economic Development Canada’s licence-exempt RSS(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Various Settings and the Birth of Tamagotchi

Setting the clock → Entering your birthday → Entering your name (p.1) → The birth of Tamagotchi

Complete the settings, starting with the clock, and an egg will appear in the room. Tamagotchi will be born after about a minute! The gender is decided randomly. The same gender may occur successively.

The Birth of Tamagotchi

Follow the steps below to play with your Tamagotchi On.

Insert batteries
- Requires 2 AAA batteries. Alkaline batteries recommended. Adult assembly required.

After loosening the screw, slide the battery compartment door down to open.

Correctly insert the 2 AAA batteries, matching the + and - signs. Close the battery compartment door. Properly closing the battery compartment door will push the Reset Button. About a minute after the sound, the time setting screen will be displayed. If no sound plays, press the Reset Button with a narrowly pointed object.

★ See p.4 for how to enter letters

Do not place in water or operate with wet hands. This may cause the product to break. Avoid use or storage in high humidity.
The Screen

From the home screen, you can look at the Care icon screen (below) or go out to the Yard (p.6).

Press Button C on the home screen. Tamagotchi may do something.

You will have events or get Tamagotchi.

Use the various Care icons to take care of your Tamagotchi.

**Setting**

You can change the settings of the Tamagotchi On!

- **Time**
- **Contrast**
- **Sound**
- **Icon**

First, select the setting you want to change.

Adjust the time. Change the brightness of the screen. Turn sound on or off. Change the design behind the caring icons.

**Button A** → Darker  **Button B** → Brighter  **Button C** → Finish

You can change the design behind the icons (icon background)! When your play locations have opened up and you have acquired new design, you'll be able to choose the icon background menu in settings.

**MEAL & SNACK**

Give your Tamagotchi food when it is hungry, or its happiness level is low!

Choose the place you want to go to and select it.

Then, select what you want to feed your Tamagotchi. Some have likes and dislikes, so try many kinds!

Gotchi points are required for food at the RESTAURANT.

**Types of food**

- Meal increases Tummy meter
- Snack increases Happiness meter

*Some SNACK items will increase both the happiness level and tummy level!

---

**BATHROOM**

Take your Tamagotchi here if it needs to poop or is dirty!

- **Toilet**
- **Bath**

First, choose the place you want to take it to and select it.

If your Tamagotchi is restless, wanting to poop, select BATHROOM → TOILET (or Tamagotchi pooped on the home screen, selecting BATHROOM cleans out the room.)

Give your Tamagotchi a bath and make it clean!

**Yard**

Press **B** in home screen mode and you will be able to get out to the Yard!

In the Yard there will be all kinds of events and you will meet Tampets!

**Live with Tampets**

Bring ITEM outside!

Tampets are here!

Tampets are getting married!

Tampets have a baby!

1: Select ITEM from the ITEM BOX and select OUTSIDE!

2: When you have Tampets visiting the Yard, you can choose to live with them. If yes, select YES!

3: Visit the Yard from time to time and check up on your Tampet.

There may be a marriage partner for your Tampet!

4: When a Tampet gets married, the couple will have a baby!

---

*You may start living with a Tampet from the Child stage!

*If you would like to bring the item back inside, select YES when it asks.

*Tampets will disappear if you don't go and check up on them.

*When Tamagotchi enters a new generation, Tampets will disappear.

*Marry your Tampet with your friends!

Select CONNECTION → TAMAGOTCHI → TAMPET (p.8)
Let's play various connection and download functions!

**TAMAGOTCHI** connection to play with another "Tamagotchi On" device. (p.7)

DOWNLOAD: Play not available in US or Canada at this time.
APP: Bring your character to App. (p.8)

**Connection with another Tamagotchi**

Place the connection component of both Tamagotchi units level with each other and within the range shown on the left.

*Connection will not work under sunlight or other bright light.
*Connection will not work if they are too close.
*Tamagotchi On cannot connect with Tamagotchi units which are not in the "Tamagotchi On" series.

**PLAYDATE**

Play with your Tamagotchi friends

1: Select PLAYDATE and the connection standby screen will be shown
2: Do the same on your friend's Tamagotchi On device to get the connection standby screen
3: Point the units at each other and press
4: When they are connected, one of the activities below will start!
   - When your Tamagotchi characters are twins, VISIT will start!
   - Tamagotchi characters will play together at your home or your friend's home.
   - Photos taken are saved to NOTEBOOK+DIARY (p.13) of both your and your friend's devices.

**GIFT**

Send items to your friend!

1: Decide which one you will give an item, and which one will receive
   Select GIFT in the connection menu.
2: Select GIVE if you're giving, and RECEIVE if you're receiving.
3: If you're giving, choose BOX or STORE depending on where the item you want to give is located, then select the item.
4: When both screens show the connection standby screen, point the units at each other and press to start gifting!

**Watch the screen during connection!**

You can move the connection component once this screen is shown. Don’t press any buttons while this screen is shown!

If this screen is shown, press to return to the connection standby screen and try again.

If you give from the BOX, the item will be deleted.
If you give from the STORE, you can buy again.
**MARRY** Propose to your friend's Tamagotchi!

1: To propose marriage, select MARRY in the connection menu. If your Tamagotchi's Tamagotchi character is not married, select MARRY in your friend's Tamagotchi On device.

2: If your friend's Tamagotchi On device shows the connection standby screen, press Button B on one of the units to start the connection. When they are connected, the Tamagotchi of the one who selected will go to the other's Tamagotchi and propose marriage.

3: The one who received the marriage proposal has to select YES or NO to the marriage. The connection standby screen will be shown again. Point the units at each other and connect.

4: If the other accepts the proposal, the two will marry! Two eggs will be laid. Each Tamagotchi will take one egg, and both will start life with babies (p.12).

**Proposal conditions**
Both Tamagotchi characters are in the Adult stage.
Tamagotchi characters need to be the opposite gender.
Both units need to be Tamagotchi On.

**TRAVEL** Travel with your friend to different places.

1: Choose TRAVEL on the connection menu.

2: If you want to travel in your friend's device, select VISIT and you will be on standby mode. If you want to visit your own destination, select INVITE.

3: If you have selected INVITE, select your destination and you will be in standby mode.

4: If you and your friend are both in standby mode, face your devices toward each other and press B button together. Tamagotchi will appear on the device on which you have selected INVITE and you will be traveling together!

*The going-out destination of your choice is not immediately available in the device on which you have selected VISIT mode, you will be able to enter the area following TRAVEL!

**TAMAPET** Marry your friend's Tamapet for a new generation pet.

1: If you and your friend want your Tamapets to have babies, both of you select TAMAPET on your connection menu.

2: You and your friend will be in standby mode. Either one of your Tamapets will appear in the other's Yard. Both Tamapets will have an egg.

3: A next-generation Tamapet will hatch from the egg and start living in your Yard.

**APP** More play in Tamagotchi On App

Download Tamagotchi On App on your smartphone or tablet and you will be able to grow and take your Tamagotchi out to play or download items!

Select VISIT.
Tamagotchi is going to App!

Visit the party to meet someone to Marry.

*See instructions inside the App for ways to play.
*App images may differ slightly from actual App.
*Tamagotchi On App can be found on the App Store and on Google Play.

To return a Tamagotchi to Tamagotchi On device, press any button and select YES and follow App instructions.
Select YES when you want to go home in the middle of App connection or when your smartphone/tablet has run out of battery charge.

* If Tamagotchi goes home in the middle of app connection, play data in the App will not be saved.

To DOWNLOAD gifts from the App, select DOWNLOAD on App and following instructions.

Select DOWNLOAD

You will receive items you have downloaded from the App!

Recommended distance for communication between the app and Tamagotchi One: about 12 inches.

Storage and number of gift items

- 20 MEAL & SNACK → FRIDGE
- 24 ITEM BOX → ITEM
- 16 ITEM BOX → ACCESSORY

Download the App!

Tamagotchi On App is an App for smartphones and tablets. For information or help to download, go to the below URL.

Tamagotchi.com

FAMILY

Here's everything you can enjoy about Tamagotchi character's family!

Parents

Your Tamagotchi character's dad and mom will babysit it! If you take your Tamagotchi to its parent's house, they'll babysit for you! Take your Tamagotchi character here when you are not available to take care of it!

- After the second generation, you can take your Tamagotchi to its parent's house.
- They can babysit from morning to evening. After that, Dad and Mom will bring your Tamagotchi back home.
- If you want to take over its care from Dad and Mom, press any button at the caring screen. You'll be asked if you want to take your Tamagotchi home. Select YES to take over.
- They can't babysit when the tummy meter or happiness level is at zero.

Family Tree

You can see your Tamagotchi family tree! At first, your current Tamagotchi is shown. Each time you press Button A, the previous generation is shown.

- If your Tamagotchi dies, the family tree ends, and your next generation will start at first generation.
- Up to 999 generations can be displayed.
- Save your Tamagotchi family tree in the App!
- If you connect with the App, your Tamagotchi family tree will be saved in the App.

Photo

You can see a photo of the whole family!

- Grandparents are not displayed for first-generation Tamagotchi and certain characters.
- You can see a family photo for first-generation Tamagotchi after it reaches the Adult Stage.
EXPLORE MY TOWN

Have fun at the STORE in the TamaMall and the PARK in your town!

Store

There are many different stores in the TamaMall!
Select SHOP if you want to shop, or GAME if you want to play games. Then, select where you want to go or what you want to play.
You can save up to 3 of the same item.
Be careful! If you buy more, you'll just lose Gotchi points.

Shopping

If it says "FREE", it costs 0 Gotchi points!

Room

Buy different items!

Item

Accessory

Buy different accessories.

Jewelry

Buy different jewelry pieces including a ring to propose!

Games

Earn Gotchi points by playing games!

For details, see "How to play the Games" (right - p.10).

Park

Different events will happen!

Chatting

Cleaning day

Get a coupon!

How to play the games

The games in EXPLORE MY TOWN that you can play at the STORE + GAME!

SURFING

Operate the buttons and try surfing! When you start the game, a gauge is displayed. Move the surfboard forward by pressing the A button as many times as you can in 10 seconds. The gauge moves to the right according to how many times you press the A button. The more you press the A button in 10 seconds, the bigger the waves you can ride! If you don't press the button enough, you'll fail.

DOLPHIN

Catch the cargo that arrives at the pier! Receive the gift from the right side of the screen that Dolphinchi brings. When the Dolphinchi reaches the left side, move your Tamagotchi next to the Dolphinchi so that you can receive the cargo. If you receive cargo 15 times, you clear the game! If you hit a Sharktchi, or you cannot receive the cargo, it's game over.
TRAVEL TO OTHER TOWN

Let's go to various places around Tamagotchi Planet. There are many places you can go! The areas shown as "???" may get unlocked by certain triggers as you play. Try various things!

Square in each area

If you become friends with someone at the Square, you might be able to marry them!

*The name of the Square is different for each area. It's the first place to choose in each Town.
You can meet many Tamagotchi characters at the Square!

- You'll meet different Tamagotchi characters in each area.
- If you brought an ITEM with you, you can play with the TamaFriend you meet and become friends.
- They'll be happy if you bring an ITEM they like.
- You can see the buddy level at the NOTEBOOK+TAMA LIST (p.13)
- If you become best friends with a Tamagotchi character you meet at a Square, it might propose marriage to your Tamagotchi!
- If you are proposed to, decide whether to accept and select your choice.
- If you select YES, the two will marry! An egg will show up! (p.12)
- You can also propose marriage to a Tamagotchi you like! (p.11)

*Only characters in NOTEBOOK+FRIEND (p.13) may propose marriage.

Shop in each area

Each area sells exclusive items!
First, select the category of item you want to buy, then select the item.
*You can save up to 3 of the same item in the ITEM box.
*Be careful! If you buy more, you'll just lose Gotchi points.

Special locations in each area

Each area has a famous place to visit!

Each town has a special place to visit (third place in each Town)
Can you figure out what to do there!?!
*The places you can visit depend on the version of the product.

Marriage proposal

Propose marriage to a Tamagotchi you like and get married!

You can propose marriage by selecting PROPOSE in the town where the Tamagotchi you want to ask lives!
Choose the one you want to propose to and select it.
If it agrees, the two will marry! The next generation egg will be hatched. (p.12)

*You need a ring to propose. You can buy one at JEWELRY (p.10) in STORE.
You can check if you have a ring or not by looking in ITEM BOX+SPECIAL goods. (p.12)
*The higher the buddy level, the better the chance that it will accept the proposal! (p.13)
*If it says UNKNOWN in the NOTEBOOK+TAMA LIST (p.13), you can't propose to that Tamagotchi.
*With twins, choose which one will propose,
The next generation of Tamagotchi is born!

When two Tamagotchi characters marry, two eggs appear, and the next generation of Tamagotchi is born!

After the second generation is born, you need to name your Tamagotchi. See p.4 Entering Letters.
- When you reach the 10th generation, the oldest generation will be deleted from FAMILY TREE (p.5). If you do not want it to be deleted, save it to the Tamagotchi Appl. (p.48)
- When twins are born you can give each one a name.

A new generation begins! It will live with Dad and Mom until after the Baby Stage.

Tamagotchi care at the Tama Hotel

If you select TRAVEL TO OTHER TOWN → TAMA HOTEL → LEAVE, the hotel will look after your Tamagotchi for you! Check your Tamagotchi into the hotel when you can’t look after it yourself!

You can leave it in the hotel from morning until evening. It costs 10 Gotchi Points per hour to leave it in the hotel. Your Tamagotchi will come back when there are no more Gotchi Points.

When you want to look after your Tamagotchi yourself, press any button on the home screen, and when you’re asked if you want to check it out, select YES. If the Tummy meter or Happiness level are zero, you can’t check your Tamagotchi in.

Let’s take Tama Photos!

You can take photos of our Tamagotchi with the camera!

- If you select ITEM or SPECIAL, then select the item you want to use. Number in the top left corner tells you how many you own.
- Select ITEM or SPECIAL, then select the item you want to use. Number in the top left corner tells how many you own.
- Each Tamagotchi has items it likes and dislikes!

Accessory

You can put an accessory on your Tamagotchi! To take an accessory off, select it from ITEM BOX → ACCESSORY and select REMOVE.

- Tamagotchi character can wear Accessories starting at the Adult Stage.

Vacuum

Select VACUUM and clean the room!
NOTEBOOK

See lots of information and read and write messages!

First, choose the information you want to look at and select it.

If something new has been added to NOTEBOOK, it will be shown after you select NOTEBOOK in the Care icon screen.

Tama list

Saved from TRAVEL TO OTHER TOWN

Tamagotchi characters you met when you TRAVEL TO OTHER TOWN are registered here!

- Buddy level
  - Name
  - Gender
  - Appearance
  - Where to meet

- Buddy level: Low to High

- Acquaintance: blue, Friend: green, Close friend: orange, Best friend: red

- Only Tamagotchi characters in the towns you've unlocked will be shown in the list.
- Tamagotchi characters you haven't met yet appear as "?".
- You can propose marriage to a Tamagotchi of the opposite gender. The better friends they are, the better the chance that it will accept the proposal!

Friend

Information about friends you've connected with are recorded here!
You can save up to 20 entries in your Friend book. Even if you connect with new friends, none will be added until you create some empty slots by using FAMILY -> DELETE.

Press B on the Friend book screen to go to the Detail selection screen of the friend who was being shown. Choose what you want to see (C) and select it.

- Buddy level
  - Gender
  - Friend's name
  - Friend's Tamagotchi name

- Family photo
  - The family photo of your friend's Tamagotchi is saved here!

- Edit messages
  - Create and edit messages to your friend. Combined messages will be sent when you connect with that friend for PLAYDATE, GIFT, or by CONNECTION.

- Message history
  - Messages you've exchanged with your friend are shown, the newest first!
  - To delete a message, scroll to it, then press Button B and select DELETE.
  - Careful! If you delete a friend from your Friend book, your messages with that friend will also disappear!

- Delete
  - To delete the selected friend from your Friend book, select YES from the DELETE screen.

Diary

With CAMERA (p.12), CONNECTION (p.7), the photos you took are saved!
You can save up to 10 photos.
- To delete a photo, select it, and press Button B then select DELETE.
- With CONNECTION, photos are sometimes taken.

FIRST AID KIT

If your Tamagotchi gets sick, hurry and help it get better!
If Tamagotchi screen looks like those to the right, quickly select FIRST AID KIT.

Is Tamagotchi dying?

- Press A on the Friend book screen to go to the Detail selection screen of the friend who was being shown. Choose what you want to see (C) and select it.

- Tamagotchi cold
- Toothache

- If you leave it sick or don't look after it well, the Grim Gotchi will come to your Tamagotchi. When you notice the Grim Gotchi, quickly select FIRST AID KIT and call the ambulance!

- If your Tamagotchi dies...

  The "Death screen" will be shown. Press Button A to see the profile of the Tamagotchi that died. If you want to raise a new Tamagotchi after one has died, press Button A while holding down Button C. A new egg will appear in the room, and a Tamagotchi will be born in about a minute!
  - Items etc. will be passed on to the new Tamagotchi.
  - There are some elements which will not be passed on - p. 3.
