How to Use Charging

1. Connect the charging port with any USB charging adapter or active computer USB port.
2. Charging will start automatically with the LED indicator turning green.
3. The receiver is fully charged when the LED indicator turns off.

Note: Charge the receiver at least once every 6 months when not using for a long time.

Pairing

1. Make sure the receiver and your Bluetooth® device are next to each other (within 3 feet / 1 meter).
2. The first time you use the receiver, press and hold the Power Button until the LED indicator flashes red
3. Activate Bluetooth® on your phone and search for the nearby Bluetooth® connections. Find "TaoTronics TT-BR05" in the search results. Tap on the name to connect. Once connected, the LED indicator will flash blue.

Note: The Bluetooth® receiver can remember previously paired devices.
