tapo C220 Security Camera

Product Information

The Tapo Security Camera is a high-quality camera that allows you to monitor your home or office remotely. It offers advanced features and easy setup through the Tapo app.

Specifications:

- **Model:** Tapo Security Camera
- **Supported Operating Systems:** iOS, Android
- **App Compatibility:** Tapo App

Package Contents:

- Tapo Security Camera
- User Manual

Product Usage Instructions

Step 1: Download the App

1. Open the App Store or Google Play Store on your mobile device.
2. Search for “Tapo App” and download it.

Step 2: Set Up

1. Launch the Tapo app on your mobile device.
2. Tap the button in the app and select your camera model.

3. Follow the app instructions to complete the setup process.

Please refer to the user manual for more detailed instructions and troubleshooting tips. If you encounter any technical issues or need further assistance, you can visit the [Tapo Support](#) website for technical support, user guides, and additional information.

Note:

Make sure to follow the safety guidelines provided in the user manual to avoid accidents or damage due to improper use of the device. Use this product with caution and at your own risk.

Compliance:

This product complies with TP-Link's standards and regulations, including TP-Link's Declaration of Conformity. For more information, please visit <https://www.tapo.com/support/ce/>.

DOWNLOAD APP

SET UP

Tap the  button in the app and select your camera model. Follow app instructions to complete setup.

Safety Information
