Use for cleaning:

Water resistant hard surfaces

Do not use on water- or alkali-sensitive and painted surfaces. Do not use on surfaces in contact with food products and do not use on aluminum.

Benefits...

Ready to use, alkaline and solvent-based heavy-duty cleaner for most alkaline resistant, hard surfaces

Using...

For general stains
Spray the product
onto a cloth and apply
to the surface.

For tough stains
Spray product directly
onto the surface.

Allow 1 minute
contact time.

Wipe cloth with
a dry cloth.
