Tastyle K330IC Single Serve Coffee Maker

INTRODUCTION

For coffee enthusiasts who want convenience and taste, the Tastyle K330IC Single Serve Coffee Maker is flexible and small. In 2023, Tastyle introduced this unique coffee machine that makes single-serve hot or iced coffee with configurable intensity and size. Whether you like coffee pods or freshly ground beans, the K330IC makes coffee at home, at the office, or on the move easily. Its replaceable 40oz water tank holds numerous cups, and its 6 brew sizes (6–24 oz) suit diverse tastes. This machine is convenient, safe, and stylish with energy-saving auto shut-off, splash-preventing construction, and a travel-mug-friendly drip tray. For anybody wanting a great coffee experience in a small, user-friendly container, the Tastyle K330IC is a must-have for **\$54.99** due to its contemporary appearance, solid operation, and simple maintenance.

WHAT'S IN THE BOX

- coffee maker
- K-Pod holder
- permanent filter
- drip tray

- recipe book
- User Manual

FEATURES

- **Dual Coffee Options:** Brew using K-Cups or ground coffee for versatile choices.
- **Three Brew Styles:** Select Classic, Bold for a stronger flavor, or Over Ice for chilled coffee.

- **Removable Water Tank:** 40 oz reservoir allows brewing several cups before refilling.

40oz Removable Reservoir

Easy to fill and clean
Allows to brew 4 cups before refilling

- **Multiple Cup Sizes:** Choose from 6, 8, 10, 12, 16, or 24 oz for your preferred portion.
- **Splash-Proof Design:** Elevated drip tray prevents spills and accommodates travel mugs up to 7.3" tall.
- **Easy to Clean:** Built-in cleaning function removes calcium deposits; parts are dishwasher-safe.
- **Energy Saving:** Automatically shuts off after 10 minutes of inactivity.
- **Safe Materials:** Made from BPA-free polypropylene plastic for safe daily use.
- **Water Alerts & Protection:** Includes low water notifications and dry boil protection.
- **Compact Design:** Slim and space-saving, ideal for small kitchens, dorms, offices, or RVs.

Splatter-Preventing Design

Removable heightened drip tray included, reduce coffee splashing caused by gravity

- **Permanent Filter:** Eco-friendly reusable filter supports both coffee grounds and tea leaves.
- **Adjustable Brew Strength:** Customize coffee intensity for every cup.

- **Quick Brewing:** Coffee is ready in just a few minutes, perfect for busy mornings.
- **Recipe Guide Included:** Offers tips for making hot or iced coffee at home.
- **Simple Controls:** Easy-to-use button interface ensures hassle-free brewing.

SETUP GUIDE

- **Unbox Carefully:** Remove the coffee maker, K-Pod holder, permanent filter, drip tray, and recipe book.
- **Choose a Flat Surface:** Place the coffee maker on a stable, dry countertop.
- **Connect to Power:** Plug into a standard 120V outlet.
- **Fill Water Tank:** Detach and fill the 40 oz reservoir with fresh water.
- **Insert K-Cup:** Place a pod in the holder if using capsule coffee.
- **Use Ground Coffee:** Add coffee grounds into the permanent filter if preferred.
- **Secure Filter Lid:** Ensure the hinged lid on the filter is properly closed.
- **Select Brew Style:** Pick Classic, Bold, or Over Ice mode.
- **Select Cup Size:** Choose from 6, 8, 10, 12, 16, or 24 oz.
- **Start Brewing:** Press the brew button to begin.

- **Position Your Cup:** Place the cup or travel mug under the drip tray.
- **Monitor Water Level:** Refill the reservoir as needed for uninterrupted brewing.
- **Follow Safety Guidelines:** Avoid touching hot surfaces and spills.
- **Storage Tip:** Unplug and allow the coffee maker to cool before storing.

CARE & MAINTENANCE

- **Descale Regularly:** Run the cleaning function to prevent mineral buildup.
- **Rinse Water Tank:** Clean after each use to ensure fresh-tasting coffee.
- **Clean Drip Tray:** Remove and wash to prevent overflow or stains.
- **Wash Permanent Filter:** Rinse or dishwasher-clean for optimal performance.
- **Wipe Exterior:** Use a soft, damp cloth to remove dust or spills.
- **Check Control Buttons:** Ensure buttons remain clean and functional.
- **Dry Removable Parts:** Allow the water tank, drip tray, and filter to dry fully before reassembling.
- **Monitor Water Alerts:** Never brew when water is below the minimum level.
- **Avoid Abrasive Cleaners:** Don’t scrub plastic parts with harsh brushes or pads.
- **Handle Gently:** Lightweight yet delicate—avoid dropping.
- **Inspect Power Cord:** Regularly check for wear or damage.
- **Do Not Overfill Reservoir:** Maximum capacity is 40 oz to ensure safe operation.
- **Store in Dry Area:** Keep away from moisture when not in use.
- **Clean Accessories:** Rinse any additional parts or recipe book items after use.
- **Replace Damaged Components:** Swap out the K-Pod holder or filter if worn or damaged.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Coffee not brewin g	Water reservoir emp ty	Refill the reservoir and restart brewing
Weak coffee	Incorrect brew stren gth	Select “Bold” or desired strength setting

Issue	Possible Cause	Solution
The machine is not turning on	Power not connected	Ensure the coffee maker is plugged in and the outlet is functional
Coffee overflowing	Drip tray not positioned correctly	Reposition the drip tray and retry
Grounds in coffee	Reusable filter clogged	Clean filter or replace if necessary
Coffee too cold	Brew size too large	Use a smaller cup size or pre-warm the cup
Iced coffee is too diluted	Ice amount excessive	Adjust ice quantity or brew strength
Water not heating	Heating element issue	Check power, ensure tank is filled, or contact support
Loud noise	Air trapped in the system	Run a brewing cycle with just water to purge air
Auto shut-off not working	Timer malfunction	Reset the machine by unplugging it for 5 minutes

PROS & CONS

Pros

- Brews hot and iced coffee with 3 strength options.
- Compatible with both K-Cup pods and ground coffee.
- Removable 40-oz water tank allows multiple cups before refilling.
- Energy-efficient with an auto shut-off feature.
- Compact and space-saving design fits small kitchens and offices.

Cons

- Limited to single-serve brewing at a time.
- Plastic construction may feel less premium to some users.
- Travel mug accommodation requires drip tray removal.
- Not suitable for very large households.
- Cleaning the reusable filter requires attention to prevent residue buildup.

WARRANTY

The Tastyle K330IC Single Serve Coffee Maker comes with a 1-year limited warranty covering manufacturing defects. This includes repair or replacement of defective parts under normal usage conditions. The warranty does not cover damage caused by misuse, accidents, or modifications. Customers are advised to retain the purchase receipt for warranty claims.

FREQUENTLY ASKED QUESTIONS

What is the Tastyle K330IC Single Serve Coffee Maker?

The Tastyle K330IC Single Serve Coffee Maker is a hot and iced coffee machine that brews single cups using K-Cups or coffee grounds. It is compact and ideal for home, office, RV, or dorm use.

How much coffee can the Tastyle K330IC Single Serve Coffee Maker brew at once?

The Tastyle K330IC Single Serve Coffee Maker has a 40 oz removable reservoir, allowing you to brew 4 to 5 cups before refilling.

What brew sizes are available with the Tastyle K330IC Single Serve Coffee Maker?

The Tastyle K330IC Single Serve Coffee Maker offers 6 brew sizes: 6, 8, 10, 12, 16, and 24 oz, letting you customize the strength and volume of your coffee.

How do I clean the Tastyle K330IC Single Serve Coffee Maker?

The Tastyle K330IC Single Serve Coffee Maker has a built-in cleaning function for calcium deposits. Removable parts are dishwasher safe for easy cleaning.

What safety features are included in the Tastyle K330IC Single Serve Coffee Maker?

It is made of BPA-free materials and includes auto shut-off after 10 minutes, water shortage alerts, and dry boil protection for safe use.

What should I do if the Tastyle K330IC Single Serve Coffee Maker is not brewing coffee?

Check that the water reservoir is filled, the coffee pod or grounds are properly placed, and the machine is plugged into a 120V outlet. Ensure the filter and drip tray are correctly positioned.

What should I do if the Tastyle K330IC Single Serve Coffee Maker leaks water?

Ensure the 40 oz reservoir is seated properly, the drip tray is in place, and there are no cracks in the tank or coffee maker body.
