#### **BIDDER PRE-QUALIFICATION REQUIREMENTS:**

Interested parties to note that the Bidder shall be required to fulfill the following bidder pre-qualification requirement/criteria to qualify for the subject work. Bidder will be required to submit relevant supporting documents to demonstrate their qualification during the bid submission stage against Tender document / RFQ and bidders not found meeting the pre-qualification requirements given below will be disqualified from the tender.

#### TECHNICAL REQUIREMENT:

- 1. The bidder should be a Manufacturer or an Authorized Supplier of Manufacturer of PSD. The aforesaid Manufacturer should have an authorized service center facility in India.
  - 1. The bidder must have supplied PSD systems for 400 KV EHV breakers of Siemens. The detailed list shall be shared for the purchaser's review during bid submission A minimum of 3 nos of PSD equipment

should have been in satisfactory commercial operation for a minimum period of three years as of the date of the bid opening for which the bidder shall submit a performance certificate at the time of bidding. Indian Subsidiaries of global companies having services in India are also eligible to bid if the qualification requirements stated above are met independently or in combination with the parent company. A declaration from the parent company needs to be submitted.

- 2. The bidder shall submit Type test reports obtained from NABL/ International Accredited Lab for the equipment/material offered. The type tests should have been conducted on the equipment/material of the same design. The type tests should have been conducted within 5 years before the date of bid opening. The period for the type test can be extended by another 5 years as a special case if there is no change in the design/material of construction (MOC). In case the type test reports furnished are not for the quoted equipment/material but for the equipment/material with higher voltage class and/or different capacity, then type test shall be carried out for the offered equipment/material from NABL / International Accredited Lab without any cost implication to the owner and the Type Test reports shall be submitted before despatch of the equipment/material.
- 3. Bidder shall provide a warranty of not less than 3 years for PSD. The bidder shall demonstrate performance of the equipment for at least 1 year.
- 4. Bidder must agree to hand over, to Owner, all project-related drawings, manuals & necessary software for configuration of the system.
- 5. Bidder / Tenderer should preferably certify with ISO 9001 / ISO 14001 / ISO 45001 or must give an undertaking for their willingness to obtain the same within 2 months of qualification for the work.

It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept, or reject any party without assigning any reason.

#### **FINANCIAL REQUIREMENT:**

Bidder / Tenderer should have an Average Annual Turnover of not less than INR 50 Lacs. (Indian Rupees Fifty Lacs) during the last three financial years. (Attach CA Certified P&L statement consisting of UDIN Number). It may be noted that the above requirements are minimum qualification criteria. However, Tata Power reserves its right to further assess the capabilities of the parties and reserves its rights to further shortlist, accept or reject any party without assigning any reason.

#### **BID SECURITY / EMD:**

Interested parties to note that Bidder will be required to furnish a Bid Security along with their Bid, in the format prescribed in the Bid Document in the form of Bank Guarantee/ Demand Draft/ RTGS, for an amount as defined in the covering page of this notice document. Bids not accompanied by an acceptable Bid Security shall be rejected by the Owner as being non-responsive and returned to the bidder without being opened. Interested parties to note that Bid Security is not required with the EOI and it is required to be submitted with the Bid only during the Bid Submission stage, once RFQ is released to the interested parties that have submitted a valid EOI.

## **BIDDING PROCESS:**

- Detailed Bid Document (also referred as RFQ) shall be issued through the Tata Power e-tender portal (Ariba System) only to the parties that submitted a valid EOI as per terms mentioned in this document.
- Bidder to note that commercials for subject tender may be conducted through e-auction. Detailed bidding and auction process shall be detailed in the RFQ / tender document.

## Q: How do I request the tender document?

A: Interested parties meeting the Bidder Pre-Qualification Requirements can request the tender document by submitting the expression of Interest (EOI) Letter along with the Tender Fee Payment Details before the specified deadline.

# Q: What is the bid security amount?

A: The bid security amount is INR 40,000 and should be submitted as a Bank Guarantee or through RTGS or Demand Draft at the bid stage and not with EOI
