TECHLY ICA-TR14 LED LCD TV Floor Stand With Shelf

Specifications

- Brand: Techly
- Model: iCa-Tr14
- Compatibility: LED/LCD TV 32" – 70"
- Weight Capacity: Up to 68 KG
- VESA Standard: 600×400

Product Usage Instructions

Unpacking Instructions:

1. Lay out the contents on a protective surface, like cardboard, to avoid damage.

Important Safety Information:

1. Read all instructions before starting the installation.
2. Follow all recommendations carefully.
3. Use proper safety equipment during installation.
4. Do not use the product for any purpose not explicitly specified.
5. Respect the maximum weight limitation printed on the box.

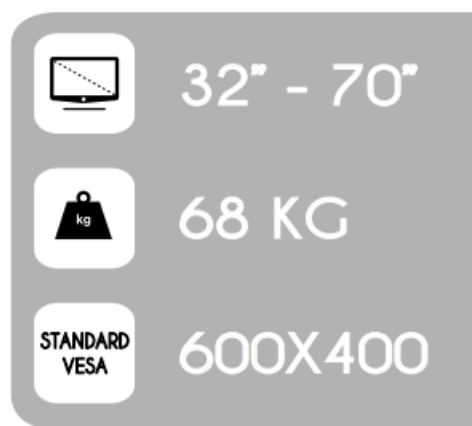

Maintenance:

1. Perform maintenance checks at least every three months to ensure safe usage.
2. Be cautious during assembly to prevent possible injury or damage.

FAQ

- **Q: What should I do if I have doubts about the safety of the installation?**
 - A: If you have any doubts about the safety of the installation, refer to the manual or seek professional advice to ensure proper installation.
- **Q: How often should I perform maintenance on the product?**
 - A: It is recommended to perform maintenance checks at least every three months to ensure the product is safe to use.

Dear Customer, thanks for choosing a Techly product.

Unpacking Instructions

- Carefully open the carton, remove contents and lay it out on cardboard or other protective surface to avoid damage.
- Check package contents against the Supplied Parts List in the next page to ensure that all components were received undamaged. Do not use damaged or defective parts.
- Carefully read all instructions before attempting installation.
- Please keep this user's manual for future consultations.

Important Safety Information

Please read this instruction before beginning the installation, and carefully follow all herein-contained recommendations. Use proper safety equipment during installation. Please call a qualified installation contractor for help if you:

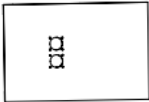

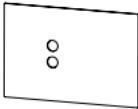

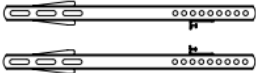

- Don't understand these directions or have any doubts about the safety of the installation.
- Do not use this product for any purpose or in any configuration not explicitly specified in this instruction. We hereby disclaim any and all liability for injury or damage arising from incorrect assembly, incorrect mounting, or incorrect use of this product. At the end of the installation make sure the procedure was correctly observed.

Maintenance

- Check that the bracket is secure and safe to use at regular intervals (at least every three months).

CAUTION: Be very careful during the assembly. If the mount is not properly installed it may fall, resulting in possible injury and/or damage. Respect the maximum weight limitation printed on the box.
